Veliki prasak pokrenuo se malenom anketom vezanom uz izbornu nastavu gdje se htio čuti iškren glas učenika kako bi im stvaralačke želje postale nekrom vрča stvarnosti. Sve je nekako slutilo da se silina duha mladosti želi baviti filmom.

Pretežno prazan svemir dobio je tako Videodružinu koja poput komete zavodljivog repa uz brojne državne i međunarodne nagrade i priznanja prerasta u supernovu udrugu Kinoklub Karlovac.

"Ja sam samo jedna karika u lancu" čarobna je vizija pod kojom funkciraju svi ti bistri izvanze-

maljci unutar Družine i Kluba, i upravo zbog toga bi trebali biti svijetao primjer ne samo svojim vršnjacima nego i odgovrnima na višim instancama tamne tvari.

Cijeli kozmos teži minimumu energije, pa tako i ljudi često oponašajući beskrležnjake gube dostojanstvo, što je neoprostiv poraz za čovječanstvo.

Naime, ono predivno kod ovih mlađih ljudi je da se kroz grupnu koheziju i antigravitaciju svih članova potiče razvoj osobnosti pojedinca, stoga ne čudi što takvim uznesenim radom nastaje plodno tlo na svakoj živoj planeti i svakoj živoj zvijezdi, prvo za razvoj filma, a kasnije manifestacije Revije i Festivala.

Neka se i generacijama što dolaze otvore crvotočine za takve slobode kroz prostor i vrijeme naše neobične svakodnevnicice.

A big bang was started by a small opinion poll about the elective subjects, by which the honest opinion of students was wanted to be heard so that their creative ideas

would become the nectar from the jug of reality. Somehow everything pointed to the fact that the strength of the spirit of youth wanted to make films.

In a predominantly empty cosmos the Video Group had been begotten, and like a comet with a seductive tail, after numerous national and international awards and recognitions, it has transcended into the Cinema Club Karlovac supernova.

"I am just one of the links in the chain" is the magical vision under which functioning all these clever aliens within the Video Group and the Cinema Club, and precisely because of this, they should be a shining example not only to their peers but also to the people at higher executive level of the dark matter.

Our entire cosmos aims for the energetic minimum and so the people, often mimicking the invertebrates, lose their sense of dignity, which is an unforgivable defeat for humanity.

What is beautiful in these young people is that, through

group cohesion and an-

tigravity of all the mem-  
bers, it instigates development of all indi-  
viduals, therefore, it is not surprising that  
such an inspired work has created fer-  
tile ground on every living planet and ev-  
ery living star, first for the development  
of film and later for the events such as this  
festival.

May the generations to come have worm-  
holes open for such freedom through space  
and time of our unusual daily life.

# JOŠ NEMA KINA, ALI IMA FILMA...

› Ovaj uvodnik pišem iz Vodica, mesta na hrvatskoj obali, koje prema zadnjem popisu stanovništva ima 12.408 stanovnika. Sinoć sam bila u nedavno obnovljenom vodičkom kinu. Da, Vodice i pored svega desetak kilometara udaljenog Cinestara u Šibeniku imaju kino. I to kakvo? Moderno uređenu kino dvoranu s 360 sjedala (parter + balkon) - klimatizacija (ili u zimskoj varijanti grijanje) te Dolby zvuk su samorazumljivi. Pitam čovjeka na blagajni kako im ide - "Dobro! Prošle godine prodali smo preko 12.000 ulaznica". Otpriklike 35 ulaznica dnevno. Nije bajno, ali grad ipak ima kino, gdje filmovi s obzirom na Zagreb stižu s otpriklike 3 tjedna zakašnjenja. Isto se za Karlovac ne bi moglo reći. Karlovac, grad od 59.395 stanovnika (dakle, čak 4,5 puta više nego Vodice), svoje kino nema. Pardon, kino kao kinodvoranu ima: kino Edison, sagrađeno dvadesetih godina prošlog stoljeća,

inače prva funkcionalna kinodvorana u Hrvatskoj, danas je zatvo-

reno. I tako 9. grad po veličini u Hrvatskoj (sličnu sudbinu dijeli i nešto veći Slavonski Brod) svoje kino, u kontekstu redovitog repertoara, nema!

Ali, to ga ne sprječava da ima filma! I to kakvog filma! Dvije manifestacije u jednoj (15. filmska revija mladeži i 3. Four River Film Festival) Karlovcu donose 91 film - autora koji dolaze iz svih dijelova šarolikog globusa: od samog grada domaćina pa sve do daleke Koreje. Tu je i popratni program pomno zamišljen za sve od 7 do 77, gdje se Karlovčanima ujutro u Zorin domu nude dječji filmski klasići, a navečer na Stariom gradu Dubovcu ponajbolji cjelovečernji izdanci hrvatske kinematografije pristigli direktno iz Pule! Tako su se pored starog i nažalost zapuštenog Edisona stvorile dvije nove lokacije - jedna u kazalištu, a druga pod vedrim nebom srednjovjekovne utvrde!

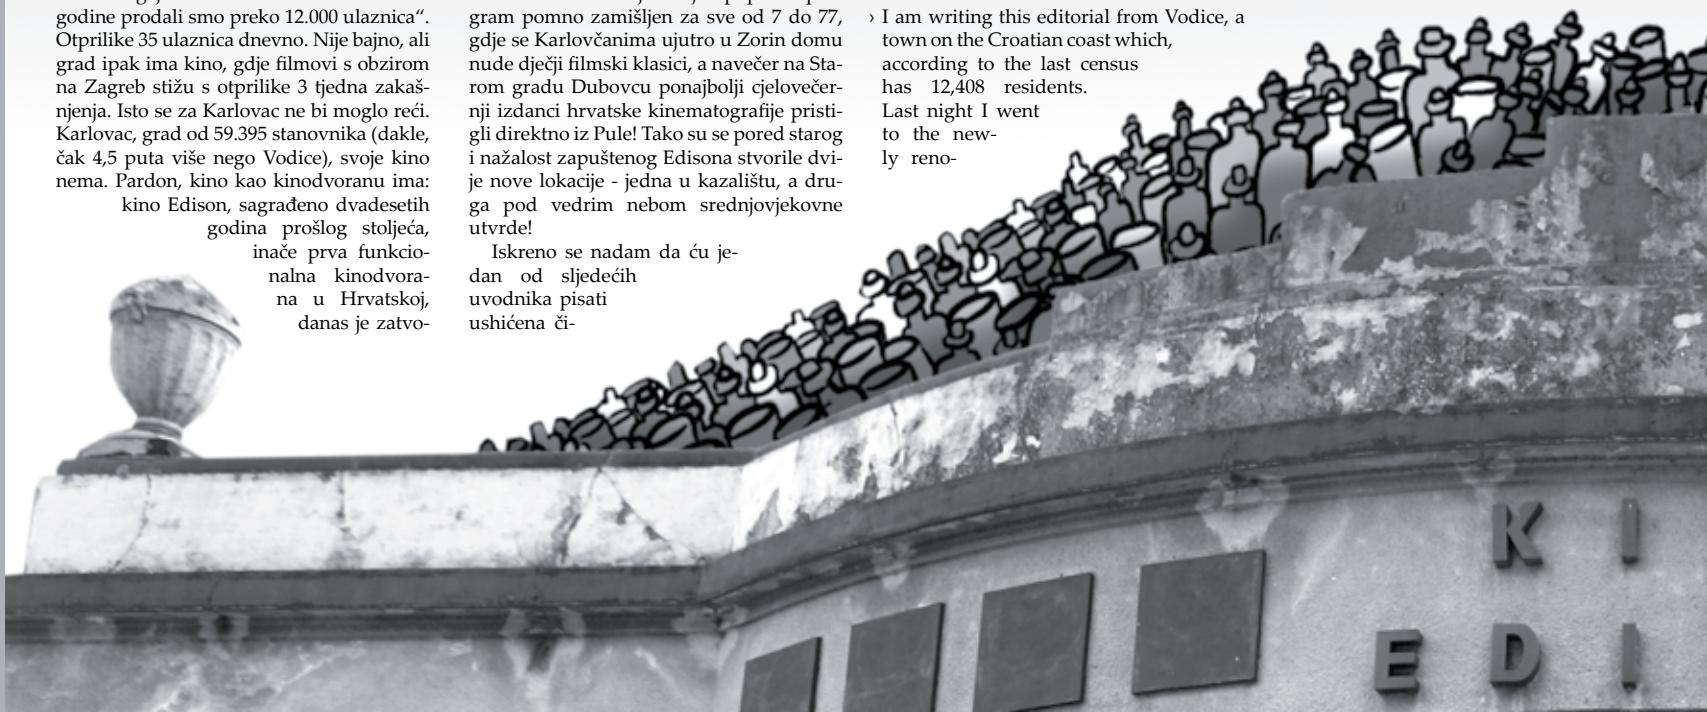

Iskreno se nadam da će jedan od sljedećih uvodnika pisati ushićena či-

njenicom kako filmove na Reviju i Festivalu prikazujemo u pravom kinu! Jer mislim da ne samo da 150 srednjoškolaca i njihovih mentorova, koliko ih kao gostiju Revije i Festivala svake godine dode u Karlovac, nego i preko 4000 posjetitelja, mahom Karlovčana (ova brojka iz godine u godinu raste) koji u četiri dana prodefiliraju festivalskim lokacijama, to u svakom slučaju zaslužuju. Da, ima filma, ali treba biti i pravog kina!

› I am writing this editorial from Vodice, a town on the Croatian coast which, according to the last census has 12,408 residents. Last night I went to the newly reno-

vated cinema in Vodice. Yes, Vodice has its own cinema, despite the fact that there is a multiplex Cinestar cinema only 10 kilometer away, in Šibenik. And a great one at that. The newly equipped cinema has 360 seats (the stalls + the balcony) - air conditioning (or heating in winter) and Dolby sound go without saying. I ask the man at the box office how they are doing

- "Great!"

# STILL NO CINEMA, BUT PLENTY OF FILM(S)...

Last year we sold over 12 thousand tickets." Approximately 35 tickets per day. Not great but the town has a cinema, and the films come on average around three weeks later than they do in Zagreb. The same could not be said about Karlovac. A town with 59,395 residents (that is 4,5 times more than Vodice), Karlovac does not have a cinema. Actually, it does have a cinema hall as such: the Edison cinema, built in the 1920s, incidentally the first functioning cinema hall in Croatia, is today closed. And so, the ninth city in size in Croatia (sharing a similar fate with Slavonski Brod) does not have a cinema of its own in the context of a regular repertoire!

But, this does not prevent it from

having films! And what films they are! Two events in one (the 15<sup>th</sup> Youth Film Festival and the 3<sup>rd</sup> Four River Film Festival) bring to Karlovac 91 films - whose authors come from all around the colorful globe: from the host city itself to the faraway Korea. And there is also the side program, carefully planned to appeal to everyone from the age 7 to 77, giving the residents of Karlovac a chance to watch children's film classics at Zorin dom theater in the morning and the best of Croatian feature films straight from the Pula Film Festival at the old Dubovac castle at night! Therefore, in addition to the old and unfortunately rundown Edison, there are two new locations - one in a theater, the other under open skies of a medieval fort!

I sincerely hope that I will be writing one of the future editorials excited by the fact that the films on this festival are screened at a real cinema! Because I believe

that, not only the 150 high school students and their mentors who come to Karlovac as festival guests, but also over 4000 visitors, mostly from Karlovac (and this number increases every year) who pass through the festival venues, definitely deserve that.

Yes, there is film, but there should also be the cinema!

## PRIJATELJ S VELIKIM SLOVOM P • A FRIEND WITH A CAPITAL F

› Mislila sam da ovaj tekst nikada neću morati pisati. Ako ga se i trebalo pisati, očekivala bih to na šesdeset i nekom izdanju Revije. No stranice života te iznenade svakim novim poglavljem. Ovo poglavlje mi je bezveze. Baš bezveze.

Prošle godine Vedran Šamanović (Šaman, kako smo ga svi zvali) bio je selektor programa Revije i Festivala. Ovogodišnje izdanje (a i projekcija "Dva sunčana dana", jednog od posljednjih filmova koje je napravio kao direktor fotografije) posvećeno je upravo njemu, čovjeku koji je bio prava repatika prvo Družine i Kinokluba, a kasnije i Revije i Festivala.

"Ponekad mi se čini kako se najbolje stvari dogode spontano, bez dugotrajnih planiranja, sastanaka, dogovora, viječanja... Razumljivo, prije ili kasnije misli i ideje valju objediti i razgovorom dovesti u red, ali vjerujem kako se sam početak dorbih stvari jednostavno mora dogoditi. I tako sam tamo negdje u jesen devedes'devete, tražeći prijevoz iz Šibenika za Zagreb, sjeo u crveni Opel Kadet ne sluteći kamo će me zapravo odvesti." Crveni Opel Kadet pripadao je tada Damiru Jeliću, a u njega je ušao Šaman. Isječak je iz Šamanovog predgovora napisanog za Monografiju povodom 5. godina Videdružine Gimnazije Karlovac. Od samih početaka rad Videodružine i Kinokluba bio je nekako usko isprepleten Šamanovim djelovanjem. On i Ogi (op.ur. Ognjen Svilicić) održali su te zime devedes'devete prvi filmski tečaj za mlade karlovačke filmaše "Tih smo se dana tek

upoznali. Rekao sam njima ono što sam mislio da trebaju znati, oni su meni rekli ono što su procijenili da ja smijem čuti i razišli smo se u miru." U sljedećih par godina Šaman je nerijetko bio gost-kritičar na promocijama tih naših srednjoškolskih filmića. "Nakon tog prvog susreta sretali smo se još mnogo puta. Prikazivali su mi pritom svoje nove filmove, pričali mi što tek planiraju snimiti, raspitivali se za postupke kojima najlakše mogu ostvariti svoje ideje..." Neke od nas poveo je sa sobom i u svoju "One Take" nišu. Ogijevim i njegovim filmom otvoreno je i karlovačko mikrokino ("Oprosti za Kung Fu", gdje je bio direktor fotografije), a upravo je Saman prva dva karlovačka izdanja Revije bio član žirija, a prošle godine i selektor.

Mogla bih još nabrajati i nabrajati...ali završit ću onim čime sam i počela: "I premađa sada već znam da svaki odlazak u karlovačku Gimnaziju rezultira zaumljivim druženjem, neizbjegno se svaki put sjetim prvog našeg susreta. To je naime bio (sad sam u to uvjeren) filmskim jezikom rečeno, početak jednog divnog prijateljstva". Ovim riječima (koje sam kasnije puno puta citirala i moglo bi se reći prisvojila) zaključio je Šaman svoj predgovor. I uistinu, Šaman nam je prvo bio učitelj, kasnije kolega, ali prije svega prijatelj - prijatelj s velikim slovom P.

*U ime prijatelja, Marija Ratković*

› I never thought I would have to write this text. And if it were supposed to be written at all, I would expect it to be no sooner than

for the 60<sup>th</sup> edition of the festival. But the pages of life surprise us with every new chapter. This chapter is uncool. It really is.

Last year Vedran Šamanović (or Šaman as all of us called him) was in the selection jury of the YFF and the FRFF. This year's edition (as well as the screening of the film "Two Sunny Days" which was one of the last film he worked on as cinematographer) is in fact dedicated to him, the man who was a real shooting star, first of the Video Group and the Cinema Club and then of the YFF and FRFF.

*"Sometimes it seems that the best things come about spontaneously, without extensive planning, meetings, arrangements, counseling... Of course, sooner or later thoughts and ideas need to be shaped and formalized through discussion, but I believe the very beginning of good things simply has to happen by itself. And so, sometime back in '99, looking for a ride from Šibenik to Zagreb, I got into a red Opel Kadett not having the slightest idea where it would actually take me."* The red Opel Kadett at the time belonged to Damir Jelić and Šaman was the one who got in. This is an excerpt from Šaman's foreword to the Monograph commemorating five years of the Karlovac Gymnasium Video Group. Since the very beginning, the work of the Video Group and the Cinema Club was somehow closely intertwined with Šaman's work. During this winter of that '99, he and Ogi (Ognjen Svilicić) held the first film course for young

filmmakers in Karlovac. "In those days we had only just met. I told them what I thought they should know, they told me what they thought I was allowed to hear, and we parted in peace." Over the next few years Šaman was often a guest critic at the screenings of our high school films. "After that first encounter we met again many times. They showed me their new films, told me about what they plan to film and asked about procedures to help them bring their ideas to life..." Some of us he brought along for his 'One Take' story. His and Ogi's film inaugurated the Karlovac microcinema ("Sorry for Kung Fu" on which he was director of photography), and it was precisely Šaman who was a jury member in the first two editions of the festival and a selection jury member last year.

I could keep listing... but I will conclude the way I started: "And even though by now I know that every visit to the Karlovac Gymnasium results in an interesting experience, I always inevitably think of the first time we met. It was (I am convinced of it now), to put it in the words of film, a beginning of a beautiful friendship." With these words (which I have quoted and, you could say, adopted) Šaman concluded his foreword. And indeed, Šaman was first our teacher, later colleague, but he was above all our friend - a friend with a capital F.

# ŽUTA ZASTAVA - NAGRADA ZA DOPRINOS NENASILJU NA FILMU / TRIBINA "FILMOM I MLADOŠĆU PROTIV NASILJA" • THE YELLOW FLAG - THE AWARD FOR THE CONTRIBUTION TO NONVIOLENCE ON FILM / THE ROUND TABLE "FILM AND YOUTH AGAINST VIOLENCE"

› Život je najlakše shvatiti kao stvaralaštvo. S druge strane, sve ono što se protivi životu najčešće je pojmiti kao rušenje. Zato su umjetnost kao slavljenje života i nasilje kao njegovo negiranje toliko različiti. Filmska umjetnost kao malo koje područje ljudskog stvaralaštva može ukazati na opreke životu među kojima nasilje i svi njegovi oblici imaju najpogubniji utjecaj. Poglavlju među mladima. Kada pak mlađi filmski autori u svojim radovima promiču nenasilje u društvu, to zasljužuje punu pozornost i podršku. Snimajući filmove u kojima se ukazuje na ovaj veliki društveni problem, mlađi osoblja uvjerljiv i važan način doprinose njegovom rješavanju. O tome podjednako snažno govore filmovi o nasilju među mlađima, o nasilnom odnosu čovjeka prema prirodi, o ratu i sukobima kao najgorjem obliku međuljudskih odnosa, kao i o autodestrukciji kroz ovisnost o drogama i alkoholu.

Sve su ove teme obrađene kroz radevine mlađih filmaša na 15. filmskoj reviji mlađeži i 3. Four River Film Festivalu i ove godine. S obzirom na to, kao i na jačanje prepoznatljivosti Revije i Festivala, uz važne novitete srednjoškolsko filmsko djelovanje ovogodišnjim izdanjem nastojimo staviti u širi društveni kontekst. U korist tome ide uvođenje nove, jedanaeste nagrade na Reviji i Festivalu, Žute zastave, nagrade za doprinos nenasilju u filmu.

Odluku o istoj donijet će žiri sastavljen od troje srednjoškolaca uspješnih u različitim područjima. Pokretanjem ove nagrade želimo ukazati na percepciju nasilja i u okviru stvaralačkog rada srednjoškolaca. Stoga će uz samu nagradu, za voditelje - mentore te sve zainteresirane srednjoškolce u okviru Revije i Festivala biti održana tribina "Filmom i mladošću protiv nasilja", na kojoj će sudjelovati brojni stručnjaci koji se direktno ili indirektno bave tom problematikom. Istu će moderirati ovogodišnji član selekcijske komisije i dugogodišnji kritičar radova srednjoškolaca, Boško Picula.

Life could most easily be understood as creation. On the other hand, everything that stands against life could be perceived as destruction. That is why art as a celebration of life, and violence as its negation are so different. Film art, like very few other areas of human creation, has the ability to reveal the obstacles to life among which violence in all its forms is the most harmful one. Thus when young filmmakers in their works promote nonviolence in society, this deserves our complete attention and support. By making films which draw attention to this great social problem, young people contribute to its solution in a very convincing and important way. Their films loudly speak out about violence pre-

sent among teenagers, violence of man towards nature, about war and conflict as the worst form of human interaction, as well as about self-destruction through addiction to drugs and alcohol.

All of these subjects are also covered in films at this year's 15<sup>th</sup> Youth Film Festival and the 3<sup>rd</sup> Four River Film Festival. Having this in mind, and given the growing importance of YFF and FRFF, this edition will strive to place high school filmmaking in a wider social context by introducing some important innovations. Therefore, we have introduced the new, eleventh award at YFF and FRFF, the Yellow Flag, awarded in recognition to the contribution of nonviolence on film. The decision will be left to three high school students who all excel in various areas of activity. By initiating this award we would like to draw attention to the perception of violence within the framework of artistic creation of high school students. Therefore, in addition to the award itself, for the group leaders - mentors and for all the interested high school students, we are also organizing the round table entitled "Film and Youth against Violence" with the participation of numerous experts who directly or indirectly deal with this problem-matter. The round table will be moderated by one of this year's selection jury members and long-time high school film critic Boško Picula.

*Redatelj / Director:* Karla Skok

*Voditelji / Group leaders:* Sandra Malenica, Hrvoje Selec

**Vanima - studio animiranog filma, Varaždin**

### *Sinopsis / Synopsis:*

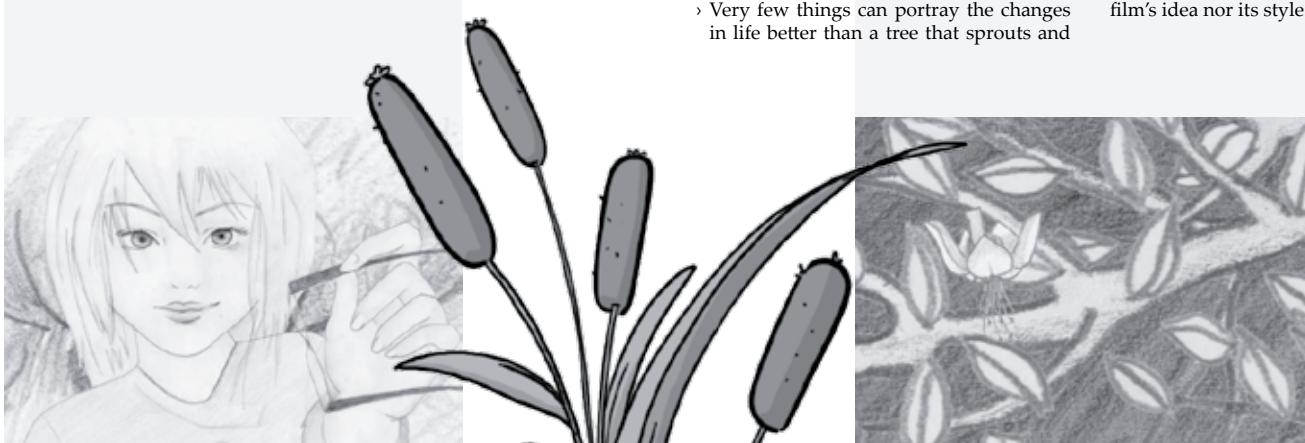

- › Mladić lutajući gradom misli na svoju prvu ljubav iz djetinjstva od koje se morao rastati. No u jednom trenu padaju mu naočale, a podigne ih baš ona...
- › A young man wanders around town thinking about his first childhood sweetheart with whom he had to part. However, his glasses fall down on the ground and of all the people she is the one to pick them up...

### *Boško Picula:*

- › Mekan, topao crtež uz izvrsno korištenje glazbe i zvukova stvara pravi ugodaj za romantičnu priču. Daleki istok očito nije tako dalek.
- › Soft, warm drawing with exceptional use of music and sound, creating the perfect atmosphere for a romantic story. The Far East is obviously not that far.

### *Vjekoslav Živković:*

- › Zgodna animirana priča s očitim utjecajem Manga. Doista zrela izvedba koje se ni sami Japanci ne bi posramili.
- › A nicely animated story with obvious influences of the Manga. A really mature rendering that even the Japanese would be happy with.

## DRVO • TREE

» HDV / DVD-R, stereo, 2010, 3'31"

*Redatelji / Directors:* Daniela Živković,

Mihaela Gradečak

*Voditelj / Group leader:* Jadranko Lopatić  
**FKVK Zaprešić, Zaprešić**

### *Sinopsis / Synopsis:*

- › Film o životnom ciklusu jednog stabla jabuke.
- › A film about the life cycle of an apple tree.

### *Boško Picula:*

- › Malo što može dočarati životne mijene kao nicanje i rast stabla. Iako niz puta korišten motiv, metafora o životnom ciklusu "od klice do ploda" u filmu ima supitnlu izvedbu, liričnu i uvjerljivu u isto vrijeme.
- › Very few things can portray the changes in life better than a tree that sprouts and

grows. Even though the theme has been used many times, the metaphor of the circle of life, "from sprout to fruit" finds a very subtle rendering in the film, lyrical and convincing at the same time.

### *Vjekoslav Živković:*

- › Jako dobra animacija. Iako film traje kratko, možda je mogao biti i kraći te tako zadržati ritam koji se izgubi u trenutku kada nastupi realistična ruka koja ni idejno ni stilski ne odgovara ovom filmu.

- › Very good animation. Even though the film is short perhaps it could have been even shorter and so maintain the rhythm that is somewhat lost when the realistic arm appears, since it matches neither the film's idea nor its style.

## KNJIŠKI ČOVJEK • BOOK MAN

*Redatelj / Director:* Maša Borović

### *Sinopsis / Synopsis:*

- › Zgode i nezgode malog ljubitelja riječi i knjige.
- › Adventures and misadventures of a little book aficionado and word lover.

### *Boško Picula:*

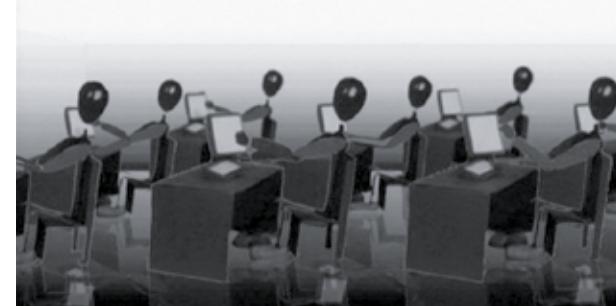

- › Knjiški čovjek nalazi se u - knjizi. Od ove zamisli polazi vesela priča čija je do-

bra strana zaigranost, a manje dobra strana propuštena prigoda za uvjerljivjom izvedbom.

- › The book man finds himself in - a book. This idea develops into an entertaining story whose positive feature is its playfulness but it fails to have a more convincing follow-through.

### *Vjekoslav Živković:*

- › Dobra ideja ne toliko dobre izvedbe.

### *Sinopsis / Synopsis:*

- › Djelatnik u uredu ostaje raditi u tišini prekovremeno. Radnu idilu mu kvari pokvarena lampa koju pokušava popraviti. U tom trenutku se dogodi kobna greška.

- › The man stays at the office working overtime in silence. The only thing disturbing his working idyll is the broken lamp he tries to fix. This is when he makes a fatal mistake.

### *Boško Picula:*

- › Reski humor uz jednak takav crtež u završnici dovodi do obrata koji dvojpolminutnoj priči daje na šarmu i razigranosti. Manje je više, ne samo u ovom filmu.
- › Sharp humor and equally witty drawing provide a twist at the end, which lends this two and a half minute story its charm and playfulness. Once again, less is more.

### *Sinopsis / Synopsis:*

- › U vrevi urbanog okoliša ljudi svakodnevno međusobno komuniciraju neanagiranim šablonama. Ljubav je jedna od mogućnosti bijega od ravnodušnosti i unošenja boje u sivu svakodnevnicu.
- › In the chaos of the urban landscape people constantly communicate with each other through uninvolved patterns. Love is one of the possible ways out of the detachment and a way of adding color to our gray daily lives.

**Boško Picula:**

- › Poigravanje monokromatskim crtežom daje rezultat u generiranju teze o svakodnevnoj otuđenosti kojoj životno treba kolorita. Likovna jednostavnost i ideja slojevitost.
- › Playing with monochromatic drawing results in generating the premise of daily alienation which desperately needs a bit of color. The film is visually simple and the idea complex.

- › Kratka animacijska vježba koja ima pretenzije da bude nešto više od toga.
- › A short exercise in animation that aspires to be something more than that.

**Boško Picula:**

- › Što smo umreženiji, sve smo udaljeniji. Je li tako ili ipak ne? Promišljena animirana priča o stvarnim i virtualnim identitetima postiže optimum scenarija i realizacije. Film s osjećajem za trenutak.

- › Dokumentarni film o radu psihologa u školi kroz razgovor sa srednjoškolskom psihologinjom Ankicom Medved.
- › A documentary about the work of psychologists at school shown through the conversation with the high school psychologist Ankica Medved.

### *Boško Picula:*

- › Prikazati radni dan jedne mlade školske psihologinje poticajanj je filmski zadatak. No, u tom slučaju ona mora biti fokus priče, ponajprije scenski. Pažljivije kadriranje i više neformalnijih detalja o samom radu

mlade profesorce, dali bi jasniju sliku o onome što se željelo filmonu pokazati.

› Showing a working day in the life of a young school psychologist is a challenging film task. But in that case, she needs to be the focus of the story, especially cinematically. More careful framing and more of the informal details about the work of this young teacher would give a clearer picture of what the film tried to achieve.

### *Vjekoslav Živković:*

- › Film koji nastoji gledatelja upoznati s radom jedne školske psihologinje, te na simpatičan i jednostavan način to i čini. Najveći problem je što je to više reportaža nego dokumentarni film.
- › A film which tries to familiarize the viewer with the working day of a school psychologist and it does so in a nice and simple way. The biggest problem is that it is more of a report than a documentary film.

**Lumiere Media Zadar, Zadar**

### *Sinopsis / Synopsis:*

- › Tematika ovog dokumentarnog filma je život jedne djevojke tijekom i nakon ovinsnosti o heroinu. Sve to je dočarano realističnim kadrovima zadarског podzemља u kojem se snimaju konzumacijske scene, a ostali dijelovi su snimljeni na lokacijama Zadra i okolice. *Carpe vita* je poseban radi eksperimentalne glazbe i svog jedinstvenog imena, jer ono u prijevodu znači "iskoristi život"; koje je ujedno i poruka ovoga filma.

- › The subject matter of this documentary is the life of one girl during and after her addiction to heroin. This is transmitted through realistic frames of the Zadar underground where the consummation scenes were shot, while the other parts

were shot on locations in Zadar and the surrounding area. *Carpe vita* is special because of its use of experimental music and its unique name because it means "make the best out of life", which is essentially also the message of the film.

### *Boško Picula:*

- › Filmska ispovijest mlade žene koja je uspješno izašla iz pakla droge istovremeno je poučna i dinamična, gdjeđje i virtuozna, mada pati od neujednačenosti.
- › The confessions of a young woman who has successfully escaped the horrors of drug addiction is both educational and dynamic, sometimes even extraordinary, even though it is somewhat uneven.

### *Vjekoslav Živković:*

- › Zanimljiv i poučan dokumentarac. Najviše ostavlja dojam kamera koja jako oscilira u kvaliteti komponiranja kadra i kvaliteti pojedinih snimaka.
- › An interesting and educational documentary. What catches most attention is the camera that varies in quality of framing and the quality of certain shots.

- › Ovaj tipični slavonski pašnjak, oplemenjen močvarnom florom i faunom, koji ima status zaštićenog krajolika nalazi se istočno od Slavonskog Broda kod sela Oprisavci i Poljanci.
- › These typical pastures in the Sava area, enriched by the swampy flora and fauna, that have the status of a protected area, are located to the east of Slavonski Brod, near the villages of Oprisavci and Poljanci.

### Boško Picula:

- › Prekrasni prisavski pašnjak svakako zasluguje svojih petnaest minuta filmske slave. Zato je trebalo imati puno više snimljenog materijala da bi se u konačnici montirao film ovolikog trajanja. Unatoč praznom hodu, cjelina je najbolja gdje je najvažnije - u slikama.
- › The beautiful pastures in the Sava area definitely deserve their fifteen minutes of fame. It required a lot more shooting material to edit a film this long in its final version. Despite slow pace, the whole is at its best when it matters the most. With the images.

### Vjekoslav Živković:

### Sinopsis / Synopsis:

- › Dokumentarni film o životu umirovljenog Vladimira Kukavice iza čijeg se prezimena krije neispričana priča o hrabrosti. Ulazeći u njegovu monotonu svakodnevnicu, otkriva se naličje dvostrukog svjetskog padobranskog prvaka. No jedino što mu je ostalo kao podsjetnik na mirule dane su sjecanja, jer je u Domovinskom ratu uništena sva njegova dokumentacija. Njegova agonija nastavljena je i kroz logore, iz kojih izlazi kao invalid. Više se ne može vinuti u nebesa, u oblače - ostao je na tlu poput fazana...
- › A documentary about the life of the retired Vladimir Kukavica whose name conceals an untold story of courage. Entering his monotonous daily life, the hidden life of the two-time parachute jumping world champion is revealed. But the only thing he has left to remind him of the past are the memories, because during the war in Croatia all his documents were destroyed. His agony was continued in the war camps from which made him an invalid. He can no longer soar through the sky and the clouds - he is stranded on the ground like a pheasant.

### Vjekoslav Živković:

- › Korektno odraden dokumentarac o veoma svestranom čovjeku. Nažalost, montaža je najslabiji dio filma. Film ostavlja dojam da je sve što je usmisljeno i ušlo u film...
- › A well followed-through documentary about a very versatile man. Unfortunately the editing is its weakest point. The film leaves the impression that all the material that was shot made it into the film...

### *Sinopsis / Synopsis:*

- › Film govori o tome zašto mladi vole izlaziti. O ovom važnom aspektu života govore glavni akteri, roditelji, profesori, psiholozi... Iznose se pozitivne i negativne strane izlaženja.
- › The film speaks about why young people like to go out at night. The main parties involved, the parents, teachers, psychologists speak about this important aspect of young people's life and express both its positive and negative aspects.

### *Boško Picula:*

- › Gledati i slušati mlade kako pričaju o svojim izlascima, baš kao i gledati i slu-

šati starije kako sve to tumače, nikad nije dosadno. Zato se i ovu podružu reportažu lako prati. S pozornošću. Da je pritom filmski pristup nadjačao televizijski, sve bi bilo dinamičnije.

› Watching and listening to young people talking about going out, as much as watching and listening to their elders explaining and analysing it, is never boring. That is why this lengthy report is easy to watch attentively. However, the film would have gained in dynamics if the TV approach had been taken over by the film one.

### *Vjekoslav Živković:*

- › Mladi njihov najveći problem - kamo izaći i kako se zabaviti. Solidan film koji nažalost obilježava loša snimatelska sposobnost.
- › Young people and their biggest problem - where to go in the evening and how to have fun. A good film with rather poor cinematography, however.

Otac ga je napustio kao dijete. Susjedi nam daju izjavu o njemu. Zaključujemo da će njegov život u svijetu vječno biti prekriven crnom zavjesom.

› This is a film about a 19-year-old boy from the neighborhood suffering from a serious illness. The mother is very devoted to her child. But something is strange. This child never leaves the house. It always stays behind the curtain. His father abandoned him when he was a child. The neighbors never give statements about him. We come to the conclusion that his

life will forever remain covered by a black curtain.

### *Boško Picula:*

› Brzo, živo, napeto... I to o dječaku koji gledateljima do same završnice ostaje zagonetkom. Koristeći samo izjave dječakovih poznanika, redatelj je snimio dokumentarnu priču koja izgleda kao uvod u kakav psihološki triler. Istančan osjećaj za temu i tenziju.

› Fast-paced, dynamic and thrilling... all this in a story about a boy who remains a mystery till the very end of the film. By using only the statements of the people who know the boy, the director has managed to make a documentary story which resembles the opening sequence of a psychological thriller. A very sharp sense for subject matter and suspense.

### *Vjekoslav Živković:*

- › Film o onom koga nema. Nema ga ni u filmu a opet ga je film prepun. Tko ili što je on, to trebate sami otkriti.
- › A film about the one who isn't there. He again isn't there in the film yet his presence is sharply felt. Who or what he is you have to find out for yourselves.

- › A travel documentary about the small village of Hrnetić near the river Kupa close to the city of Karlovac, seen through the eyes of one of its youngest residents and told by residents of different generations.

### *Boško Picula:*

This documentary about the oldest parish in the Karlovac county brings very convincing accounts from the interviewees at the church, the school, at the art studio, the fire brigade... The cinematography is also very good. If only the sound were also a bit better...

### *Vjekoslav Živković:*

- › Na prvi pogled kratak dokumentarno-reportažni film o zavičaju koji govori da i jedna mala zajednica ima svoju povijest ali i budućnost dovoljno vrijednu i zanimljivu da se o istoj napravi film.
- › At first glance this is a short documentary report about home, which shows how even the history, but also the future, of such a small community are valuable and interesting enough to be shown in a film.

## SJEĆAM SE DOBRO • I REMEMBER WELL

*Voditelj / Group leader:* Josip Krunić

**Multimedijalni centar Studio kreativnih ideja Gunja, Gunja**

### *Sinopsis / Synopsis:*

Helen Mazalović, protagonistica filma, pripovijeda na specifično duhovit način reminiscencije o svom djetinjstvu, adolescenci i zreloživotnom dobu, koji nisu bili ni manjane lagani. Ona je ženapatnica, uzdaje se u svoju vjeru, koja je drži. Otkako se rodila, takoreći u bunkeru za vrijeme II. svjetskog rata, stalno je na nekoj muci i patnji. Unatoč svemu, ona je pozitivna osoba, optimistična, vesela, puna anegdota. U duši je još uvijek nevinično dijete.

The film's protagonist, Helen Mazalović, has a particularly witty way of narration through reminiscences about her childhood, adolescence and adult life which have not been in the least bit easy. She is a martyr, relying on her faith which keeps her going. Since she has had a baby, practically in a bunker, during World War II, her life has constantly been ridden with

hardship and suffering. Despite everything, she is a positive, optimistic person full of anecdotes. At heart she is still an innocent child.

### *Boško Picula:*

Živa, bogata isповijest gospođe Helene pravo je svjedočanstvo jednog vremena i zrcalo jedne sredine. Autori dokumentara o pojedincima uspjevaju ili ne onoliko koliko ih potaknu da vjeruju kamarama kao prijateljima. Filmašima iz Gunje takvo što ide više nego glatko.

A lively, rich story of Helen's life is a testimony to a time and a reflection of the region. Documentary films about a single character are either successful or less so depending on how well they manage to convince their protagonist to trust the camera as a friend. The filmmakers from Gunja have done more than well in this task.

### *Vjekoslav Živković:*

Kostur filma je jasan od samog početka i ritam filma je fino uskladen. Film bez mana i praznog hoda koji puno duguje samom akteru filma.

The outline of the film is clear from the very beginning and the rhythm is also nicely even. This is a film without flaws and unnecessary voids that owes a lot to the protagonist herself.

*Redatelj / Director:* Philipp Tomaš

*Voditelj / Group leader:* Mirjana Laginja

### *Sinopsis / Synopsis:*

Dokumentarni film koji prati jedan dan u životu autorove bake i djeda. Oni su tijekom rata istjerani iz svoje kuće u Tenji i kao izbjeglice su izgradili novu kuću u Ljeskovici. Tamo sada žive sretni i ispunjeni, bez želje da se vrate u staru obnovljenu kuću u Tenji.

A documentary film about a day in the life of the author's grandma and grandpa. During the war they were forced to leave their house in Tenja and as refugees they built another one in Ljeskovica. Now they lead happy and fulfilled lives and do not want to go back to the old house in Tenja that has been renovated.

### *Boško Picula:*

Rat i dalje određuje ljudske sudbine. Progњaničke osobito. Film o njima postavlja puno pitanja, a nudi manje odgovora, što znači da je središnjim protagonistima trebalo pristupiti slojevitije. Nema čovjeka o kojem se ne može snimiti ma-

kar kratki film. Ovdje je minutaža ostala neiskorištena.

The war still determines people's lives. Especially those of refugees. The film raises a lot of questions but does not offer as many answers which means that the main protagonists should have been treated with a more multifaceted approach. There isn't a person in the world one cannot make at least a short film about. Here the minutes of the film have not been used to the fullest.

### *Vjekoslav Živković:*

Film se bavi dvjema izbjeglicama koji su se i pod svoje stare dane morali snalaziti nakon što su sve izgubili. Dvoje ljudi koji definitivno nisu nezanimljivi i imaju što reći. No, film kod gledatelja ostavlja dojam kako se radi o dvoma potpuno nezanimljivim ljudima.

The film speaks about two refugees who even at an older age had to cope with hardship after they had lost everything. These two people are definitely not uninteresting and have plenty to say, however, the film shows them in the way that creates the impression they are completely uninteresting.

- › There is a lot more to the way we dress than the basic overviews which usually remain in the shadow of the true analysis. This film attempts one such analysis and it shows really well the clothes that are above all the symbols of our life choices.

Mlada djevojka pronalazi primamljiv oglas za dobro plaćen posao u inozemstvu i, ne sluteći, postaje žrtva trgovanja ljudima. Likovi u filmu ne izgovaraju ni jednu riječ čime postaju opći simboli toga najunosnijeg oblika organiziranog kriminala.
- › The film treats the usual process of human trafficking with the usual participants (the trafficker, the victim, the buyer). A young girl finds an interesting add for a well-paid job abroad and , without

misgivings, becomes the victim of human trafficking. The characters in the film do not utter a single word which converts them into symbols of this highly lucrative form of organized crime.

### Boško Picula:

- › Uvjerljivo ispričana priča o trgovanju ljudima ponavlja pljeni konceptom u kojem se bez riječi kaže najviše. Antibajka kojoj je završetak novi početak. Filmski veoma pismeno.
- › This convincingly told story about human trafficking is especially appealing in its concept that no words at all can send the loudest message. An anti fairy tale whose ending represents a new beginning. Cinematically very well executed.

### Vjekoslav Živković:

- › Film koji se bavi temom *traffickinga*. Originalno i kvalitetno.
- › A film that deals with the issue of human trafficking. Originally and professionally done.

## BIOGRAFIJA DRŠKA METLE • A BIOGRAPHY OF A BROOM HANDLE

» HDV / DVD-R, stereo, 2010, 4'50"

*Redatelj / Director:* Mia Martinović  
*Na filmu sudjelovali / In co-operation with:*  
 Fran Oršanić, Vid Krešimir Vince, Noa Kapchitz, Lucija Kunčić, Igor Jović, Milan Blagojević  
**Samostalni autor / Independent author, Zagreb**

### Sinopsis / Synopsis:

- › Ostvarenje prati biografiju pripovjedača. Od njegova misterioznog početka do, u očima promatrača, mizernog kraja. Priča bi bila klasična da pripovjedač u ovome ostvarenju nije drvo koje, još otako je bilo sjeme, teži biti držak metle, odnosno teži konačnom spajjanju s donjim dijelom metle u jednu postojanu cijelinu. Nakon što u jednoj tvornici drvosjećevom zaslugom bude spojen na svoju metlu, završava u jednoj ruskoj kući. Tamo zajedno sa svojom metlicom mora obaviti životnu ulogu, a onda će moći uživati u svojoj užvišenoj, neizmjerenoj, paranormalnoj ljubavi. Zauvijek. (Do 2012.)

- › The film follows the biography of the narrator. From its mysterious beginning to its, in the eyes of the observer, miserable end. The story would be a classical one if the narrator here was not a tree that, ever since it was a seed, aspires to be a broom handle, that is, longed for the final merg-

ing with the other part of the broom into lasting unity. Thanks to the lumberjack, it is finally joined together with its broom in a factory and ends up at a Russian home. There, together with its broom it has to perform its role in life and then it enjoys its exalted, infinite and paranormal love. Forever. (Until 2012.)

### Boško Picula:

- › Svatko želi biti netko. Ili nešto. Tako je jedno stablo žarko željelo biti drškom metle. Apsurdni zaplet obećava od samog početka. No, takav apsurd traži razigraniju razradu.
- › Everybody wants to be somebody. Or something. One tree desperately wanted to be a broom handle. An absurd twist that is promising from the outset. But this sort of absurdity requires a more playful development.

### Vjekoslav Živković:

- › Film originalne ideje s nešto manje originalnom režijom govori o jednom drvetu i njegovoj velikoj želji da postane drška metle.
- › A film with an original idea, but slightly less originally directed, that speaks about a tree and its great desire to become a broom handle.

## BUNC ALMIGHTY • BUNC ALMIGHTY

*Redatelj / Director:* Mihovil Plečko

*Na filmu sudjelovali / In co-operation with:*  
David Vitko, Vedran Vulje, Luka Tomić  
*Voditelj / Group leader:* Matko Burić

**Filmska autorska grupa "Enthusia Planck", Samobor**

### Sinopsis / Synopsis:

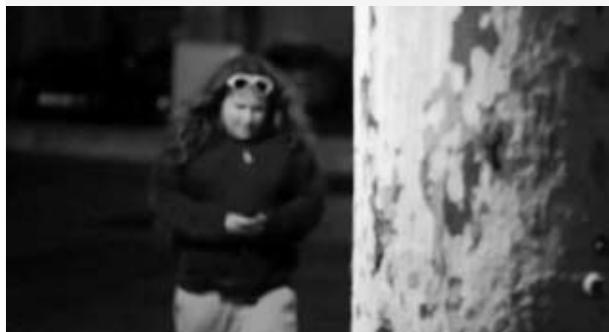

- › Jednominutni igrani film o samoborskem velikanu koji se ne boji ni Chuck Norrisa.
- › A one minute film about a hero from Samobor who is not afraid of anybody, not even of Chuck Norris.

### Boško Picula:

- › Se neizbjegljom spravicom u rukama sva se vrata otvaraju... do prve prepreke. Duhotivo i promišljeno. Skeč koji ima glavu i rep.
- › The right contraption opens all doors... until it reaches the first obstacle. Funny and well thought out. A sketch with coherent unity.

### Vjekoslav Živković:

- › Solidan i duhovit igrani skeč. Film ima odličan ritam i duhovit obrat na kraju.
- › A solid and funny film sketch. The film has excellent rhythm and a funny twist at the end.

## HOMER NAŠ SVAGDAŠNJI • OUR DAILY HOMER

» HDV / DVD-R, stereo, 2010, 9'39"

*Redatelj / Director:* Matija Kokolić

*Na filmu sudjelovali / In co-operation with:*  
Nika Obućina, Luka Majić, Daniel Kuhar, Deni Ključarić, Stela Pošta, Hrvoje Greg Šimić, Michael Rada, Patrik Horvat, Karlo Barun, Kristijan Juriček

*Voditelj / Group leader:* Miroslav Miljković

**Filmska skupina Srednje škole Ban Josip Jelačić, Zaprešić**

### Sinopsis / Synopsis:

- › Klasičan Homerov ep Ilijada smješten u školsko okruženje. U središtu zbijavanja je ljubavna priča za koju se protagonisti umjesto borbom fizičke snage bore znanjem. I dok pobjednik dobiva i djevojku i slavu, poraženi poseže za fizičkim nasiljem i dobiva - mjeru isključenja iz škole.
- › Homer's classical epic, The Iliad, is placed in the school context. At the center is a love story in which the protagonists fight using not physical strength but knowledge. And while the winner gets both the girl and the glory, the loser resorts to physical violence and gets - a suspension from school.

### Boško Picula:

- › Uz likove iz Biblije, sudionici su se ovogodišnje Revije nadahnuli i likovima iz staraogrčke mitologije. Troja među srednjoš-

kolcima više je nego zgodna ideja, a bila bi i zgodnija da kamera osim naratora zaинтересiranije prati Homerove poklonike s početka 21. stoljeća. Film je prije svega slika, a kao što se zna, jedna slika vrijedi tisuću riječi...

› In addition to the characters from the Bible, this year's YFF participants have also been inspired by characters from Greek mythology. Troy in the school context is a great idea and it would have been even nicer if the camera followed as closely the beginning-of-the-21st-century Homer aficionados as it did the narrator. The film is above all an image and, as we all know, an image is worth a thousand words.

### Vjekoslav Živković:

- › Zanimljiva ideja kako za sam film, tako i za način izvedbe, no film ostavlja dojam da ono što su točno autori željeli nisu baš i dobili u konačnici. Ideje znaju biti sjajne, ali da bi zaživjele u tom svom sjaju, treba uložiti i nešto više truda.
- › Though an interesting idea both for the film itself and for the way it is followed through, we are left with the impression that in the end the authors did not quite get what they set out to. Ideas can be great but it requires a bit more effort to bring them to life in their best form.

## IZGUBLJENI SIN • THE LOST SON

» HDV / DVD-R, stereo, 2010, 24'

*Redatelj / Director:* Patrik Vale

*Na filmu sudjelovali / In co-operation with:*

Srdan Pajdić, Patrik Vale, Tomislav Bošnjak, Mladen Pajdić, Dominik Crnogorac, Petar Crnogorac, Boris Golubić, Manuel Runić, Dario Kovačević, Aleksandar Sasha Jelić  
*Voditelj / Group leader:* Janko Žufić  
**LogosVideo, Pazin**

### *Sinopsis / Synopsis:*

› Sin traži svoj dio nasljedstva od oca. Kad dobije nasljedstvo, prodaje ga i odlazi od kuće. Nekoliko mjeseci živi u lagodnom, hedonističkom životu provodeći vrijeme u kockanju, lakin ženama i "prijateljima". Kad ostane bez novca, prijatelji ga napuštaju, teško nalazi poslove i brzo ih gubi. Postaje beskućnik i prošjak. Donosi odluku da se vrati svojemu ocu, koji ga prima s oduševljenjem i priprijeđuje slavlje u njegovu čast.

› The son wants his share of his dad's inheritance. When he gets the inheritance, he sells it off and leaves his home. For a few months he lives the hedonistic high life, gambling, spending his nights with easy women and false friends. When he runs out of money his friends desert him and he has trouble finding a job and holding on to it. He becomes a homeless man and a beggar. He decides to go back to his father who greets him with excitement and throws a big celebration in his honor.

### *Boško Picula:*

› Biblijski motivi trajno su nadahnucé filmašima. I gotovo uvijek, unatoč najširem rasponu ideja i mogućnosti, djeluju poticajno. Film ima potencijala koji, nažalost, nije posve iskorišten. Raduje entuzijazam autora koji je ovđe ipak trebalo nadograditi koherentnijom pričom i izvedbom, bez odugovlačenja.

› Biblical stories are a constant inspiration to filmmakers. And almost always, despite a great range of ideas and possibilities, they have a positive effect. The film has potential which, however, has not been fully used. The enthusiasm of the authors is very welcome but here it could have been built on by a more coherent story and follow-through, without stalling.

### *Vjekoslav Živković:*

› Film o jazu između oca i sina, mudrosti i mladosti. Šteta što se nije uložilo više truda u razradu nekih scena koje su trebale biti dramaturški bolje riješene, čime bi film dobio na dramatičnosti a time zasigurno i na dinamičnosti, što bi ga u koначnici zasigurno učinilo nešto kraćim.

› A film about a rift between a father and son, between wisdom and youth. It is a shame more effort wasn't put into elaborating certain scenes, in order to interpret them better dramaturgically, which would give the film a more dramatic effect also gaining in dynamics, probably making the final outcome a bit shorter.

## JUČER! DANAS!? SUTRA??? • YESTERDAY! TODAY!? TOMORROW???

» HDV / DVD-R, stereo, 2010, 8'52"

*Redatelji / Directors:* Jozo Lazarević, Toni Milović

*Na filmu sudjelovali / In co-operation with:* Miro Bronzić, Zoran Primorac

*Voditelj / Group leader:* Miro Bronzić  
**Muški učenički dom Dubrovnik (u suradnji sa Školom filma Šipan), Dubrovnik**

### *Sinopsis / Synopsis:*

› U dokumentarno-igranoj formi učenici nam dočaravaju jednu od najvećih pošasti među mladima danas. Riječ je o sportskim kladionicama - klađenju i kockanju u koje upada glavni lik prolazeći kroz fazu novonastale životne situacije vezane za prilagodbu u novoj sredini - učeničkom domu.

› In this documentary-fiction form the students show us one of the biggest problems young people face today - sports betting. The main character gets involved with betting and gambling while going through a phase when he has to adjust to a new situation in life - living in the student dorm.

### *Boško Picula:*

› Jedna je od najzahvalnijih filmskih tema karakterna preobrazba. U ovom se filmu

središnji lik mijenja od povučenog učenika do nasilnog frajera u vlastitom snu, što je autorima omogućilo da realiziraju do padljiv doprinos temi, u čemu se najbolje snađao glavni glumac. Iako predvidljivo, tečno i zaokruženo.

› One of the most fruitful cinematic themes is the character transformation. In this film the central character dreams of changing from a withdrawn student to the violent bully. This has made it possible for the authors to make an interesting contribution to this issue, while the leading actor's performance is the film's most successful feature. Though somewhat predictable, the film flows well and makes up a rounded whole.

### *Vjekoslav Živković:*

› Igrani film koji prikazuje život jednog studenta koji se teško prilagođava novom studentskom životu. Nakon jednog vizionarskog sna on dobiva odgovore na pitanja koja su ga prije mučila.

› This fiction film shows the life of a student who has a hard time adjusting to his new life in the student dorm. After a visionary dream he receives answers to questions that had troubled him.

## KOLIKO LJUBAVI, TOLIKO MUZIKE • LOVE AND MUSIC

» **HDV / DVD-R, stereo, 2010, 4'34"**

*Na filmu sudjelovali / In co-operation with:* Danica Vuković, Katarina Frakić, Lucija Ečim, Stipe Milardović, Angela Mladin, Gloria Mladin, Skolastika Lovrić, Ivana Čapalija, Balto

*Voditelj / Group leader:* Toma Šimundža  
**Filmska grupa Marka Marulića, Split**

*Sinopsis / Synopsis:*

› "Koliko ljubavi, toliko muzike" priča je o dječaku koji voli svirati gitaru i svira je u dvorištu svoje zgrade. Pridružit će mu se i druga djeca koja će početi stvarati buku. Glasna družina naći će se na kušnji kad uskoro počnu i zaradivati. Kao i uvijek u životu, pobijedit će prava ljubav.

› "Love and Music" is a story about a boy who loves playing his guitar and does so in the back yard of his apartment building.

Other kids will join in and they start making noise together. This loud bunch will be tested when they soon start making money. As always in life, true love will conquer.

**Boško Picula:**

› Dopadljiv, jednostavan rad uz uspješno korištenje glazbe i ispred kamera i u pozadini. Mediteranski toplo i iskreno naivno.  
› A likeable, simple film with the successful use of music both in front of the camera and in the background. Warm and sincere in the Mediterranean way.

**Vjekoslav Živković:**

› Kratak film jasne radnje i fino uglađenog ritma. Sve je kratko i jasno a pritom i simpatično.  
› A short film with a clear plot and a fine-tuned rhythm. Everything is short and sweet and also very likeable.

## MATIRAM SVAKI PUT • CHECK MATE EVERY TIME

» **HDV / DVD-R, stereo, 2010, 4'40"**

*Redatelj / Director:* Luka Stjepan Delić

*Na filmu sudjelovalo / In co-operation with:* Slavomir

**Samostalni autor / Independent author,**  
**Zagreb**

*Sinopsis / Synopsis:*

› Nisam siguran vrijedi li živjeti. To je sadržaj. Iz očaja u nadu. I obratno.  
› I'm not sure if life is worth living. This is the plot. From despair to hope, and vice versa.

**Boško Picula:**

› "Sreća je u pokušajima", poručuje se u filmu koji i sam djeluje kao pokušaj, nesumnjivo ambiciozno zamišljen. Možda je redatelj namjerno htio biti nedorečen, no intrigantan pristup polučio bi pravi uspjeh da je efektna crno-bijela fotografija

i glumčev izražajni nastup urođio komunikativnjom pričom.

› "Try and try again and you will succeed" is the message of this film which in itself seems like a trial, undoubtedly a very ambitiously conceived one. Perhaps the director wanted to leave things vague on purpose but the intriguing approach would have yielded a better result had the catching black-and-white cinematography and the actor's expressive performance had produced a more communicative story.

**Vjekoslav Živković:**

› Ovdje meni nije skoro ništa jasno. Sve to djeluje zanimljivo i dobro ukomponirano, ali nekako mi ostavlja nejasan dojam.  
› I don't understand almost anything here. It all seems interesting and it is put together well, but somehow it leaves a vague impression.

## PARK • THE PARK

» HDV / DVD-R, stereo, 2010, 3'30"

*Redatelj / Director:* Dominik Slunjski  
**Kinoklub Zagreb, Zagreb**

### *Sinopsis / Synopsis:*

- › Jedinstven prostor parka prikazan kroz raznovrsnu ljudsku uporabu.
- › The unique space of the park shown through the prism of versatile human usage.

### *Boško Picula:*

- › Park od jutra do miraka živi različitim životima. Kako to izgleda, dočarava ovaj filmski eksperiment koji registrira ono za što bi nama trebalo "glumiti" kamerali cijeli dan. To je i najveća vrijednost ovog jednostavnog i efektnog uratka.
- › From morning to night the park lives many different lives. This film experiment reveals what that looks like by registering

everything the camera 'was supposed' to capture during the whole day. That is also the best feature of this simple and effective film work.

### *Vjekoslav Živković:*

- › Igrano-dokumentarni film. Odlična ideja koja nam pokazuje kroz jedan cijeli dan od jutra do miraka što se sve događa u jednom parku te kako kroz njega cirkuliraju različiti ljudi, ali u različito doba dana. Zanimljivo bi bilo vidjeti ovaj film da je čisto dokumentarne forme.
- › This is a fiction-documentary film. A wonderful idea that shows us everything that happens in a park from morning to night and how different people occupy it throughout the day. It would be interesting to see how this would work if it was made entirely in the documentary form.

## PAUZA • A BREAK

*Na filmu sudjelovao / In co-operation with:*  
Matija Kokolić  
*Voditelj / Group leader:* Miroslav Miljković  
**Filmska skupina Srednje škole ban Josip Jelačić, Zaprešić**

### *Sinopsis / Synopsis:*

- › Strka u školskoj kantini i na hodnicima za vrijeme velikog odmora.
- › The commotion at the school canteen and on the corridors during the big school break.

### *Boško Picula:*

- › Tko uhvati ritam, uhvatio je pravu stvar. A ritam se ponajbolje hvata na školskom odmoru, poglavito kada sve to prate kamere mladih filmaša s osjećajem za kadar, monažu i cjelinu. Minuta i nešto događaja na

pauzi kojoj se svi raduju, a koja je puno više od svog trajanja. Studiozno u svojoj jednostavnosti.

- › Whoever can get the rhythm right is on the right track. And rhythm is something that can perfectly be captured during the school break, especially when all the commotion is captured by the cameras of young filmmakers who have an excellent sense for shots, editing and unity. Slightly over a minute of events during the break that everybody is looking forward to and to which there is much more than its length. Very elaborate in its simplicity.

### *Vjekoslav Živković:*

- › Jednostavna ideja sjajno izvedena točno pogodenog ritma.
- › A simple idea that is wonderfully carried out and has a perfectly adjusted rhythm.

## POSLJEDNJI DANI • LAST DAYS

*Sinopsis / Synopsis:*

- › Oboljeli adolescent od leukemije, u svojoj tuzi, zaljubljuje se i pronalazi sreću.
- › An adolescent suffering from leukemia falls in love and finds happiness in his sorrow.

**Boško Picula:**

- › Snimati filmove o teškim bolestima nikad nije jednostavno, osobito ako su im u sre-

dištu mladi. Odluka autora da ono najteže u životu spoje s onim najlepšim - s ljubavlju - izvedena je i sjetno i zrelo. Film koji se pametno služi emocijama.

- › To make a film about a serious disease is never easy, especially when young people are at the centre. The author's decision to bring together what is hardest in life with what is the most beautiful - love - is carried out with emotion and maturity. Film that skilfully handles emotions.

**Vjekoslav Živković:**

- › Simpatičan kratki igrani film koji progovara o ljubavi i smrti.
- › A nice short fiction film that speaks about love and death.

**Gimnazija Dubrovnik, Dubrovnik**

*Sinopsis / Synopsis:*

- › Taksist prima poziv i prolazi kroz niz neobičnih događaja.
- › A taxi driver receives a call and finds himself in a series of unusual events.

**Boško Picula:**

- › Filmu se može prigovoriti i premalo odgovarajuće slike, i previše improvizacije, i nedostatak prave interpretacije u pripovijedanju, ali se teško mogu sjetiti priče u žanru filma strave, osobito njezina zavr-

šetka koja me više uplašila od ove. Jezivo i šokantno. Pravi materijal za pravi horor. Završetak za pamćenje...

- › The film could be criticized for its lack of appropriate image, for being too improvisational, as well as for the lack of real interpretation in the narration, but it would be hard to think of a story in the horror film genre, and especially its ending, that scared me more than this one. Frightening and shocking. Real material for a horror film. An ending to remember...

**Vjekoslav Živković:**

- › Ovo je više priča nego film/video. Previše je praznine u ovom filmu. Minimalizam ne odgovara svakom filmu i svakoj priči.
- › This is more a story than a film/video and there is too much void in it. Minimalism does not suit every film nor every story.

 Danijela Bahić, Leonardo Bušić, Mihuel  
 Daković, Danijela Bahić  
*Samostalni autor / Independent author,*

### *Sinopsis / Synopsis:*

- › Priča o siromašnoj djevojci i bogatom dječaku čije se životne linije isprepliću. Želi se pokazati razlika između bogatstva i siromaštva.
- › This is a story about a poor girl and a rich boy whose paths in life cross with one another. The idea is to show the difference between being poor and being rich.

### *Boško Picula:*

- › Ljubav djevojke pobjegle iz siročića i direktorova sina, a sve u kontekstu borbe protiv siromaštva, svojevrsni je spoj bajke o Pepejugu i melodrame Ljubavna priča. Emocija je u izobilju, ali pažnju nepo-

trebno odvlače agresivne montažne sponje i previše toga što se htjelo reći u jednom filmu. Jednostavnije bi bilo bolje.

› The love story of a girl run away from the orphanage and the son of a company director, placed in the context of the struggle against poverty, is a mixture of the Cinderella fairy tale and Love Story melodrama. Emotions abound but the attention is unnecessarily distracted by aggressive editing and the desire to say too much in one film. A simpler story would be better.

### *Vjekoslav Živković:*

- › Igrani film s moralnom porukom. Ideja je dobra, ali za ovakav film i s ovakvim idejama puno bi veći učinak imao dokumentarni nego igrani film.
- › This is a fiction film with a message. The idea is a good one but for this sort of film and these ideas the effect would be much stronger using the documentary form instead of the fiction one.

### *Sinopsis / Synopsis:*

- › Dva mlada istraživača krenula su u potragu za blagom na tavan. Tamo su sreli Patuljka s tavana koji već desetljećima čuva blago od pohlepnika. Patuljak im je zadao tri pitanja, na koja ako točno odgovore, dobivaju blago. Uspjeli su, no na kraju se ispostavilo da je blago zapravo "Guskinska igra" - prastara igra na ploči.

- › Two young explorers set out on a treasure hunt in the attic. There they meet Patuljak (Dwarf) from the attic who has for decades guarded the treasure from greedy thieves. Dwarf asks them three questions and if they answer them correctly they will get the treasure. They manage to do so but in the end it turns out that the trea-

sure is in fact the "Gooses game" - an ancient board game.

### *Boško Picula:*

- › Kada se filmaši zabavljaju na snimanju, sve je na kraju bolje. Stoga je dobra zabaava ispred kamere ovom filmu u konačnici donijela ocjenu više. Potraga za blagom, neuredna kamera, energije koliko hoćete i eto filma za Reviju.
- › When the authors have fun during the shoot the outcome is always better. Therefore, the fun in front of the camera actually earns this film extra credit. The treasure hunt theme, messy cinematography, energy in abundance, and there you go, a film for the YFF.

### *Vjekoslav Živković:*

- › Suluda priča još suludije izvedbe. Komično i nepretenciozno. Nasljednici Eda Wooda su u Hrvatskoj i oni snimaju!
- › A whacky story with an even more whacky implementation. Funny and unpretentious. The successors of Ed Wood are in Croatia and they are filming!

## TRI FAZE • THREE PHASES

**Redatelji / Directors:** Tomislav Stojanović, Buga Marija Šimić

**Voditelj / Group leader:** Josip Krunić  
**Multimedijalni centar Studio kreativnih ideja Gunja, Gunja**

### Sinopsis / Synopsis:

- › "Tri faze" je priča o različitim ljudima koji vode isti život u isto vrijeme, ali u različitim fazama. Otuđenje, nedostatak komunikacije, stereotipi i društvena stvarnost ih izjednačava, njihove živote čini gotovo jednaka i predvidljivima.
- › "Three Phases" is a story about different people who lead the same lives at exactly the same time, only they are in different phases of it. Alienation, lack of communication, stereotypes and social reality is what makes them almost the same and their lives predictable.

### Boško Picula:

- › Tako mlađi, a tako zreli... Sažeta je to ocjena na ove priče koja svojom strukturu i načinom izvedbe svjedoči o iznadprosječnim filmašima, ne samo u odnosu na svoj naraštaj. Opor film o ljubavi, zajedništvu, razočaranjima i potrebi za iskoracima sve je samo ne već viđen.
- › So young yet so mature... That is the gist of the evaluation of the story which in its structure and implementation points to the work of exceptional filmmakers, not only for their age but even further. A stark film about love, unity, disappointments and the need to break out is anything but old news.

### Vjekoslav Živković:

- › Igrani film koji progovara o muško-ženskim odnosima te o evoluciji njihova odnosa kroz zajednički život. Gotovo je nevjerojatno da je ovakav film napravila grupa srednjoškolaca.
- › This is a fiction film that speaks out about male-female relations and the evolution of this relationship through living side by side. It is almost unbelievable that this is the work of a group of high school students.

## ZAGONETKA • THE RIDDLE

**Redatelj / Director:** Matej Safundžić  
**Na filmu sudjelovali / In co-operation with:** Leonardo Bušić, Karolina Stivić  
**Samostalni autor / Independent author,**  
**Slavonski Brod**

### Sinopsis / Synopsis:

- › Priča o ubojici koji ubija ljude koji ne znaju odgovor na zadani zagonetku. Jedna žrtva mu da točan odgovor na zagonetku i ubojica dobije vremensko ograničenje za rješavanje te situacije.
- › This is a story about a murderer who kills people who don't know the answer to his riddle. One of the victims gives him the correct answer to the riddle so the murderer gets a time limit to resolve the situation.

### Boško Picula:

- › Filmove redatelja Quentina Tarantina gledaju i srednjoškolci, a njegov se utje-

caj osjeća i u ovoj priči o plaćenom ubojici koji svojim žrtvama postavlja ključnu zagonetku. Izvrstan zaplet, no razrada kaška. Ovako crnu priču trebalo je začiniti tarantinovskim crnim humorom.

› High school kids watch Quentin Tarantino's films as well and his influence can also be seen in this story about the hired killer who presents his victims with a riddle. An excellent plot but the implementation falls behind. A story this dark should have been spiced by Tarantino-like black humor.

### Vjekoslav Živković:

- › Film u koји je uloženo mnogo truda, ali njegova najveća mana leži u samom scenariju. Temelj svakog dobrog filma je upravo u scenariju.
- › A lot of effort has been put in this film, but its greatest flaw is the script. And the foundation of any good film is its script.

Nikolina Golec, Ivana Sopek, vedran  
Bukvić, Ana-Marija Belošević  
*Voditelj / Group leader:* Ljerka Krajačić  
**Srednja škola Krapina, Krapina**

*Sinopsis / Synopsis:*

- › Kratkometražni promotivni film "Do You Speak European?" prikazuje mišljenja i stavove mlađih o EU. Mladi uočavaju pozitivne i negativne aspekte EU, ali svoje gledište koncentriraju na one pozitivne te se nadaju da će svi dobiti nešto pozitivno od EU. Mnogi su aktivisti u projektima EU.
- › The short promotional film "Do you Speak European?" demonstrates the young people's opinions about and attitudes towards the EU. Young people notice both the positive and negative aspects of the EU but focus their attention on the positive ones and hope it will bring something good for everyone. Many of them are activists in EU projects.

*Boško Picula:*

- › "Gоворите ли европски?" На то ће пitanje hrvatski državlјani uskoro odgovarati na vlastiti način, dok u ovom ponešto aritmičnom kolazu činjenica i interpretacija najbolji dojam ostavlja anketar koji svojim scenskim nastupom može računati na svjetlu televizijsku ili glumačku budućnost.
- › "Do you Speak European?" This is a question which every Croatian citizen will soon answer in their own way, while in this somewhat arrhythmic collage of facts and interpretations the pollster leaves the best impression and with his performance in front of the camera could have a future in acting or on TV.

*Vjekoslav Živković:*

- › Film koji na edukativan način istražuje što mladima znači Europa. Nažalost ovaj film je TV reportaža, a ne dokumentarni film.
- › A film which in an educational way explores what Europe represents for the young people. Unfortunately this film is more a TV report than a documentary film.

*Na filmu sudjelovali / In co-operation with:*  
Drago Plečko, Paula Lindić  
*Voditelj / Group leader:* Matko Buric  
**Filmska autorska grupa "Enthusia Planck", Samobor**

*Sinopsis / Synopsis:*

- › Kao što i sam naslov govori, film prikazuje kišni dan s redateljevog balkona.
- › As the title suggests, the film shows a rainy day observed from the author's balcony.

*Boško Picula:*

- › Vizualno atraktivna vinjeta izaziva osjećaj sjetne, ali i želju da autor sljedeći put

nizanje lijepih kadrova začini ponekim iznenadenjem.

- › A visually attractive vignette that produces the feeling of melancholy, as well as a suggestion that next time the author would spice up the sequence of beautiful shots with a twist or two.

*Vjekoslav Živković:*

- › Mnogo je filmova impresije koji svima nama gledateljima nastroje prikazati što je to autorovo oko sa svog balkona uhvatilo, isto tako je malo uspješnih takvih filmova. Ovo nije jedan od tih.
- › There are many films as impressions trying to show us what the author's eye captured from the balcony and there are equally as few of those that succeed in doing so. This is not one of those films.

## MARTA I MARIJA • MARTA AND MARIJA

» HDV / DVD-R, stereo, 2009, 3'20"

*Redatelj / Director:* Patrik Vale

*Na filmu sudjelovali / In co-operation with:*

Ester Marin, Petar Crnogorac, Sara Lukić, Katya Stančić, Sara Mojzeš

*Voditelj / Group leader:* Janko Žufić

**LogosVideo, Pazin**

### Sinopsis / Synopsis:

› Ovaj kratki pjevani spot inspiriran je biblijskom pričom o Isusu, Marti i Mariji. Isus dolazi u kuću Marte i Marije. Dok je Marta zauzeta pripremom hrane, Marija sjedi i sluša Isusove priče. Marta postaje ljuta zbog Marijina nemara i negostoljubivosti. Isus odobrava Marijin izbor. Radnja spota je na seoskom imanju.

› This short music video is inspired by the Biblical story of Jesus, Martha and Mary. Jesus comes to Martha and Mary's house. While Martha is busy preparing food, Mary sits and listens to Jesus' stories. Martha gets angry at Mary's neglect and inhospitality but Jesus approves of Mary's choice. The video takes place at a country estate.

### Boško Picula:

› Prikazati običaje svoga kraja ne mora znatići slijediti klišeje. Od takvih su se klišeja mladi filmaši odmaknuli suptilnom duhovitošću, ali cijelina trpi zbog nepotrebno statične slike. U konačnici film je mogao

biti videospot narodne pjesme što je prava njmera ovako zamisljene naracije.

› Showing the customs of one's region does not necessarily mean following clichés. These young filmmakers have stepped away from such clichés by subtle wittiness but the whole is burdened by the unnecessarily static image. The film could have been a music video for the folk song, which would better suit this sort of narration.

### Vjekoslav Živković:

› Zgodan filmič koji ima puno odlika ali i puno muna. Vidljivo je da je velik trud uložen u scenografiju i kostimografiju, ali nažalost sami glumci nisu dorasli svojim ulogama s obzirom na njihova vokalna ograničenja. Snimatelj se trudio, ali nažalost odabir prostora mu nije omogućavao da napravi više planova, što bi u montaži film moglo učiniti još dinamičnijim i zanimljivijim.

› A nice film that has many virtues but also many flaws. It is obvious that a lot of effort has been put into the set and costume design, but unfortunately the actors are not quite up to their roles given their vocal limitations. The cinematographer tried very hard, but unfortunately the choice of scenery did not allow him to make more shots, which would make the film more dynamic and interesting through editing.

## NE BRINITE • DON'T WORRY

» HDV / DVD-R, stereo, 2010, 2'05"

*Redatelj / Director:* Mateo Drušković

*Voditelj / Group leader:* Nikša Blažić

**Škola likovnih umjetnosti, Split**

### Sinopsis / Synopsis:

› Socijalna slika društva danas! Ugrožena egzistencija, preživljavanje kopanjem po smetlištima, dok se politička elita bahato smije. Bezosećajnost onih koji imaju i koji mogu. The social image of the society today! The jeopardized existence, surviving by going through garbage while the political elites laugh arrogantly. The insensitivity of those who have and who can.

### Boško Picula:

› Dio hrvatske stvarnosti s kantama za smrće čije su plastične boce postale simboli-

ma preživljavanja, ispred filmskih kamera uvijek djeluje moćno. No, tu stvarnost nije dovoljno snimiti. Treba je filmski osmislići. Redatelj je pritom ostao na pola puta.

› This part of the Croatian reality, with the garbage dumpsters whose plastic bottles have become the symbol of survival, always produce a powerful effect on film. But it is not enough to just film this reality, it needs to be cinematically thought out. The director stops half way in doing so.

### Vjekoslav Živković:

› Socijalno osvijesteni film. Sveukupno film ostavlja dojam da se moglo i moralno puno više.

› A film that is socially aware, but it leaves the impression that a lot more could and should have been achieved.

## PAPILLON • PAPILLON

» HDV / DVD-R, stereo, 2009, 4'

*Redatelj / Director:* Marta Jakopec  
**Sintoment, Marija Bistrica**

### *Sinopsis / Synopsis:*

› "Papillon" je priča o drvenom leptiru, igrački koja je prošla kroz ruke tisuća i tisuća djece i čija se tradicija poklanjanja prenosi s koljenom na koljeno.. Papillon je ispričan kao život drvene igračke koji započinje ranom bistričkom zorom, a završava u smiraju dana među Lazanijskim brežuljcima. Kulminacija života leptira u zvuku je i lepetu desetaka igračkih leptira upravljenih djecom po glavnom bistričkom trgu.

› The "Papillon" is a story about a wooden butterfly, a toy which passed through the hands of thousands of kids and the tradition of giving this toy is passed from generation to generation... The "Papillon" is told as the life of a wooden toy that begins with an early dawn in Bistrica and ends at dusk among the hills. The climax of the butterflies' life is in the sound of wings flapping of dozens of toy butter-

flies which children manoeuvre across the main square in Bistrica.

### *Boško Picula:*

› Zaigrani film o igrački otkriva senzibilitet mlade autorice koja se donedavno i sama radovala igračkama. Svoju je radost s lačicom prenijela na film, a zasigurno će u sljedećim projektima svojoj zaigranosti dodati nove filmske vještine.

› This playful film about a toy reveals the insightfulness of this young author who not long ago herself delighted in toys. She has with ease transported her joy to film and in her future projects will undoubtedly enrich her joy with new film skills.

### *Vjekoslav Živković:*

› Dosta loša kvaliteta snimke. Šteta, dobra ideja i koncept filma, ali sveukupni dojam kvari kvaliteta izvedbe.

› A rather poor quality of image. That is a shame because the idea and the concept of the film are very good, though marred by the quality of the implementation.

**S.T.E.A. Yung Yau College, Kina / China**

### *Sinopsis / Synopsis:*

› Prekomjernim korištenjem energije u našem razvijenom gradu, povećava se i emisija stakleničkih plinova. To rezultira povećanjem temperature i podizanjem razine mora. Ova priča želi podsjetiti ljudе da trebaju čuvati energiju, inače ćemo postati žrtve onoga što smo stvorili.  
 › With the over-consumption of energy in our developed city, the emission of greenhouse gas keeps increasing. It results in the increase in temperature and the rising of water level. This story wants to remind people to save energy. Otherwise, we will become victims of what we have done.

### *Boško Picula:*

› Poučni filmovi uspijevaju onoliko koliko su zabavni. To se osjeća i u ovom uratku s čijim se glavnim junakom veoma lako poistovjetiti. Čist crtež i bogatstvo detalja po nešto ograničuje težišnost, ali filmu u prilog idu konciznost i osjećaj za cjelinu.  
 › Didactic films are only successful if they are also funny. You can also feel it in this film with whose main protagonist it's easy to identify. Clear drawing and plenty of detail have somewhat limited the main idea but on the other hand the film is concise and well rounded.

### *Vjekoslav Živković:*

› Jednostavna trodimenzionalna animacija koja progovara o globalnom zagrijavanju. Puno je filmova ovakve tematike danas i, kao i mnogima, i ovom manjka originalnosti.  
 › A simple 3D animation that speaks about global warming. There are many films about this topic today and like many of them this one is a bit lacking in originality.

### *Sinopsis / Synopsis:*

› Čovjek i pas, pas i čovjek - u beskonačnom nizu situacija i odnosa. Ovaj kratki animirani film odlična je kombinacija jednog dana i noći ovo dvoje predstavnika.  
 › A man and a dog, a dog and a man - in an endless sequence of situations and relations. This short animated film is a smart combination of one day and night of the two representatives.

### *Boško Picula:*

› Stop-animation u kombinaciji s igranim materijalom svjedoči o itekakvim pripre-

mama i tehničkim vještinama autora. Srednji je četveronožac, dakako, simpatičan, ali ga je trebalo iskoristiti u čvršćoj i zabavnoj priči s obzirom na namjere. Ipak, jako dobro.

› Stop-animation combined with acted fiction material reveals a great amount of preparation and skill of the author. The main four-legged protagonist is of course very nice but, given the intentions, should have been used in a tighter and more entertaining story. Still, this is very good.

### *Vjekoslav Živković:*

› Kratak animirani film u tehnici plastelinom. Sama priča i nije toliko zrela koliko je tehnička razina kojom autor zadivljuje gledatelja.  
 › A short animated film in the technique of plasticine animation. The story itself is not as mature as the technical level with which the author impresses the viewer.

## DEMOKRACIJA • DEMOCRACY

» HDV / DVD-R, stereo, 2009, 3'

Redatelj / Director: Johannes Straeter  
**Media Education Centre, Srbija / Serbia**

### Sinopsis / Synopsis:

- › Što znači demokracija za ljudi koji žive u demokratskom društvu? Demokracija ne znači izabrati osobu koja najbolje izgleda, koja obećava najbolji život, koja se čini neodoljivom. Demokracija daje ljudima moć slobodnog izbora. Je li to uvijek najbolji način? Demokracija je dragocjeno dobro koje je isto tako lako izgubiti. Demokracija zahtijeva odgovornost. Demokracija jest odgovornost.
- › What does democracy mean to people who live in a democratic society? Democracy is not about electing the person who looks the best, who promises the best life, who seems to be irresistible. Democracy gives power to the people to elect freely. Is this always the best way? Democracy is a precious commodity but it can also be easily lost. Democracy requires responsibility. Democracy is responsibility.

### Boško Picula:

- › "Budućnost počinje danas" ili "Izaberite istinu". Rezultat dvoboja ovih dviju izbornih poruka donosi završnica filma kojem bi više odgovarala neka druga animacijska tehnika. Stoga mu je vodeća odlika promišljena kritika suvremene politike i izbornih kampanja. Jer - demokracija je odgovornost.
- › "The future starts today" or "Choose the truth". The result of the duel of these two election slogans is brought in the final line of the film which would, however, be better suited with a different animation technique. Therefore, its best quality is the clever critique of contemporary politics and election campaigns. Because democracy is responsibility.

### Vjekoslav Živković:

- › Antiglobalistički nastrojen animirani film koji krasiti dobra animacija u kojoj se ipak malo pretjeralo sa efektima u *Adobe After Effectsima* pa ostavljaju dojam preforsiranosti.
- › An animated film with an antiglobalist stance, with very good animation, but the *Adobe After Effects* are a bit over the top, making it seem overdone.

## DORUČAK • ZAJTRK • BREAKFAST

Na filmu sudjelovali / In co-operation with:  
Hana Repše, Stanko Rijavec, Domen Rupnik, Dejan Peska  
**Društvo za oživljavanje zgodbe 2 koluta, educational programme Elephant, Slovenia / Slovenia**

### Sinopsis / Synopsis:

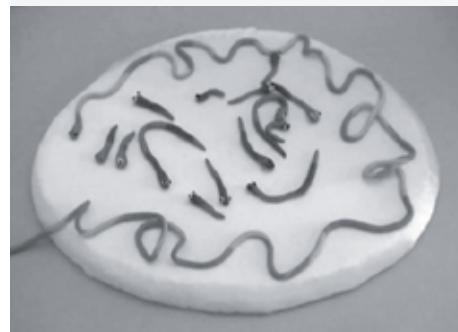

- › Kratka animacija nastala kao dio radio-nice animiranih filmova s mladima u školskim grupama i na festivalima diljem Slovenije.
- › Short animation created as part of the Animation film Workshops with young people in school groups and on festivals all around Slovenia.

### Boško Picula:

- › Crvi i jabuke stari su poznanici na filmu, a nekako su najveseliji kada je riječ o animaciji. Takav je i ovaj uradak kojega osim uspjele stop-animatione krasi i dobro izveden koncept.
- › Worms and apples are old acquaintances on film and they are somehow at their best when animated. This film is an example of that, with not only very successful stop animation but also a concept carried out very well.

### Vjekoslav Živković:

- › Animacija u tehniči plasteline. Jako dobra izvedba s jasnom pričom ali i porukom.
- › An animation in the plasticine technique. Very good implementation with a clear story and message.

### Sinopsis / Synopsis:

- › Priča o znatiželjnom čovjeku koji želi otvoriti kavez i vidjeti što je u njemu. Gledatelj će saznati je li u tome uspio.
- › The story of a curious man, who wants to open a hutch and find out what is inside. The audience will find out if he has achieved that.

### Boško Picula:

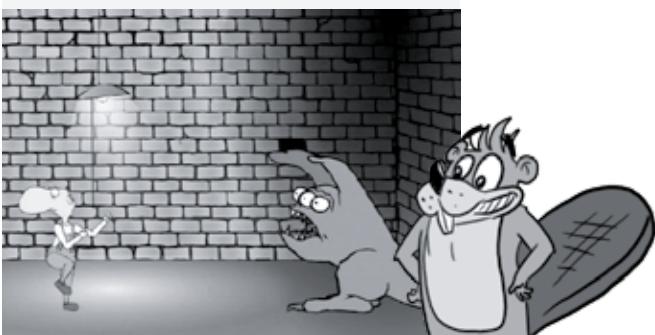

- › Lik koji kao da je izašao iz neke novinske karikature veoma se dobro snašao kao junak animiranog filma kojega prate sve same nevolje. Složena animacijska tehnika

izgleda atraktivno i, što je najvažnije, ima podlogu u priči.

- › The character who looks like he has come out of a newspaper caricature functions skilfully as the protagonist of an animated film, constantly going from one trouble to the next. This complex animation technique looks very attractive and, what is more, it also has a good story.

### Vjekoslav Živković:

- › Animirani film koji koristi kombinaciju 2D i 3D animacije ostavlja upečatljiv dojam na gledatelja s obzirom na svoju zrelost. Priča u svojoj srži sadrži nadrealističke elemente.
- › This animated film done in a combination of 2D and 3D animation is very impressive because of its maturity. The story contains some surrealist elements.

## GDJE JE LJUBAV • WHERE IS THE LOVE

» HDV / DVD-R, stereo, 2009, 7'

*Redatelj / Director:* Dae Woen Yoon, So Hyun Cha, Jae Woo Shin

*Voditelj / Group leader:* So yun Cha  
Gyeonggi Art School, Južna Koreja / South Korea

### Sinopsis / Synopsis:

- › Kupid koji pomaže ljudima pronaći ljubav, no sam ne može naći ljubav za sebe pa je pokuša pronaći iz daljine umjesto oko sebe. Na kraju će to izazvati tragediju.
- › A Cupid helps people to find love, however can't seem to find his own love so he tries to find it from a distance instead of around him. Finally it causes a tragedy.

### Boško Picula:

- › Interpretacija mita o starorimskom bogu ljubavi Cupidu ovdje je zaživjela na do-sad neviđen način u kojem je romantika rame uz rame s elementima akcijskog

horora. Crno-bijeli crtež fascinira i u likovima i u pozadini, dok su scenarij, kadriranje i korištenje glazbe najbolji odraz profesionalne zrelosti svojih mlađih autora.

- › The retelling of the myth about the Roman god of love, Cupid, here comes to life in a previously unseen way as a story where romance mixes with elements of action horror. Black-and-white drawing is fascinating both for the rendition of characters and backgrounds while the script, the framing and the use of music reflect professional maturity of these young authors.

### Vjekoslav Živković:

- › Animacija i sam crtež su na profesionalnom nivou i u ovaj film su uloženi ogromni trud i znanje.
- › The animation and drawing are of professional quality and a lot of effort and knowledge has been put into this film.

## GLAZBENA KUTIJA • ORGEL • MUSIC BOX

» HDV / DVD-R, stereo, 2009, 6'28"

Redatelji / Directors: Da - Young Chung,  
Ye-Seul Jo, Ye-Eun Lee  
**Gyeonggi Art School, Južna Koreja**

### Sinopsis / Synopsis:

- › Kao i svakog dana Keny odlazi u prodavaonici antikviteta i divi se rijetkoj i lijepoj muzičkoj kutiji. Ali skupocijena muzička kutija priziva strašnu kletvu. Sa strahom kroz glavu mu prolazi Gerisonov savjet: "Nikad ne pogledaj dno muziče kutije!" Ali pogledat će dno...
- › Just like every day, Keny goes to an antique store and he is fascinated by the rare and beautiful orgel. But the expensive orgel invites the horrible curse. With fear he remembers the advice from Gerison: "Never see the bottom of the orgel!!!" But he is going to see the bottom of the orgel...

### Boško Picula:

- › Glazbene kutije uvijek kriju neku tajnu. O sjećanjima da se i ne govori. To je izvrsno

prepoznato u ovoj elaboriranoj animiranoj priči na tragu stvaralaštva Tima Burtona i Henryja Selicka čija je tehnička razina besprijeckorna. Gotovo je nemoguće detektirati jesu li autori potkovaniji kao scenaristi ili kao animatori.

› Music boxes always hold a secret. Not to mention feelings. This is very beautifully conceived in this elaborate animated story reminiscent of Tim Burton and Henry Selick. The technical aspect of the film is impeccable and it is almost impossible to discern whether the authors excel more as scriptwriters or as animation artists.

### Vjekoslav Živković:

- › Lutka film koji može svojom kvalitetom slobodno stati uz bok filmovima kao što je "Koralina". Film krase i odlični 2D dijelovi koji su se fino uklopili u cjelokupan film.
- › A puppet film that could easily stand side by side with films like "Coraline". There are also some nice 2D sequences that fit really well into the whole film.

## HUDUD • HUDUD

» HDV / DVD-R, stereo, 2008, 8'50"

Redatelj / Director: grupa autora  
Voditelj / Group leader: Jean - Luc Slock  
Camera - Etc, Belgija

### Sinopsis / Synopsis:

- › Imati 16 godina u Palestini danas znači živjeti s policijskim satom, sukobima s vojnicima na kontrolnim točkama i nasumičnim uhićenjima...
- › Being 16 in Palestine today is to have one's life dictated by curfews, clashes with soldiers at check points and arbitrary arrests...

### Boško Picula:

› Iako je najpoznatiji politički zid na svijetu, onaj u Berlinu, srušen prije 21 godinu, i dalje se grade zidovi koji dijele ljudi i njihove živote. O zidu na palestinskim područjima govori ovaj animirani film koji izvrsno spaja crtež i fotografiju razvijajući sugestivnu priču o mladima čija je svakodnevica bremenita nikad završenim sukobom. Zrelo i zaigrano. Uznenimirujuće i nadahnjujuće.

› Even though the most famous political wall in the world, the one in Berlin, was torn down 21 years ago, walls that separate people and their lives are still being built. This animated film, which combines drawing and photography, suggestively developing the story, speaks about the wall on the Palestinian side and the young people whose daily lives are affected by the conflict that has never ended. Mature yet playful. Disconcerting and inspiring.

### Vjekoslav Živković:

- › Animacija kolažom. Film odlične animacije! Film koji govori o onome što se trenutno stvarno događa na Bliskom istoku. Umjesto da se stvaraju mostovi pomirenja i prijateljstva, grade se zidovi i stvara još veći jaz među ljudima.
- › A collage animation, and an exceptionally animated one. A film that speaks about what is currently really happening in the Middle East. Instead of creating bridges of reconciliation and friendship, there are walls being built creating an even bigger rift between people.

- › A playful collage animation with the narration in the background and the skillful use of music is on the whole a very funny and inspiring work. Charming.

**Vjekoslav Živković:**

- › Simpatična kolaž animacija koja je poslužila kao tehnika za biografski film.

- › A gorgeous, delicately crafted stop-motion animation about a puppet master and his beautiful dancing ballerina.

**Boško Picula:**

- › Lutke u rukama lutki. Puno više od prenesenog značenja, ovaj kratki, slojeviti rad

bogate likovnosti otkriva mlade animatore od kojih treba puno očekivati.

› Puppets in the hands of puppets. There is a lot more to it than the mere figurative sense, and this short, multi-layer work of great visual quality reveals young animation artists to watch for in the future.

**Vjekoslav Živković:**

- › Odličan lutka film sa jako zrelo animacijom. Priča je takoder za svaku pohvalu jer sve što se htjelo reći reklo se u dvije minute.
- › An excellent puppet film with really mature animation. The story is also praiseworthy because everything that was meant to be told has been said in two minutes.

### *Boško Picula:*

- › Teza i antiteza na primjeru kućne ljubimice mace u priči koja bi lako mogla zaživjeti

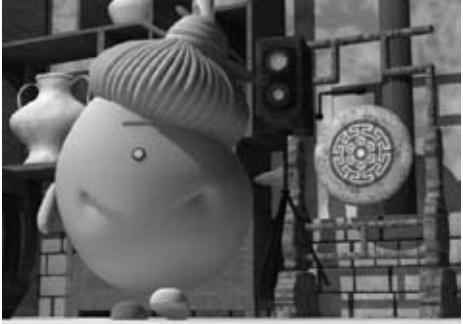

ti kao neka od epizoda kultne serije Zona sumraka. Animacijski zadivljujuće, scenariistički intrigantno, filmski cjelovito.

- › The thesis and its antithesis in the context of the pet kitty in a story that could easily work as one of the episodes of the cult series The Twilight Zone. Mesmerising animation, narratively intriguing and well rounded.

### *Vjekoslav Živković:*

- › Još jedna odlična animacija, ovaj put se kombiniraju tehnike kolaža i klasične animacije na papiru. Ovaj film kao i ostali filmovi iz Gyeonggi Art High School počazuju veliku profesionalnost i zavidnu količinu znanja kojom autori raspolažu.
- › Another excellent animation, this time combining the collage technique and classic animation on paper. This film, as well as other films from the Gyeonggi Art High School once again demonstrated that the young authors possess great professionalism and extensive knowledge.

› The story starts in a village. There is a "Tai Chi" family living there freely and happily. One day a boy is born. It is a good news for the parents and they are happy. Suddenly, as the father tries to hold his son in his arms, they feel strong mutual repulsion. Inevitably, they have to separate.

› Two basic notions in Chinese philosophy - yin and yang - have been brought to life here as life's playful opposites without whose unity there is no life. An ancient concept in a very charming contemporary story.

### *Boško Picula:*

› Prapovijesne pustolovine od Jurskog parka i Ledenog doba do ove dopadljive animirane priče uvijek su unaprijed atraktivne. Unazad pak treba pohvaliti sinergiju zapleta i realizacije uz pitanje je li korištena računalna animacija bila najbolji izbor...

› Prehistoric adventures, ranging from Jurassic Park and Ice Age to this likeable animated story, are predetermined to be entertaining. The synergy of plot and implementation are praiseworthy, though computer animation used here maybe wasn't the best option...

### *Vjekoslav Živković:*

Since then the people of Artvin fought vigorously to stop the mining companies from digging for gold and they have managed in doing so. But there is always the possibility that the mining companies will come back with another plan.

### *Boško Picula:*

› Pravi primjer kvalitetna istraživačkog novinarstva uklapljenog u filmsku strukturu privlači uspјelim prikazom svih ključnih događaja i protagonistu u priči o turskom gradu Artvinu koji je postao, baš kao i njegova najbliža okolica, metom ne-

savjesnog odnosa prema prirodi i ljudima. Zrelo, promišljeno i do same završnice interesantno.

› This great example of excellent research journalism integrated in a film structure is appealing for its successful portrayal of all the key events and protagonists in the story about the Turkish town Artvin which has, just like its residents, become the target of unconscious treatment of nature and people. A mature film that is well conceived and interesting to the very end.

### *Vjekoslav Žirković:*

› Reportažni dokumentarac koji se bavi jednim gradom i njegovim građanima čija su prirodna dobra iskoristile velike međunarodne kompanije. Najviše su stradala prirodna dobra, no građani su se odlučili suprotstaviti. Klasično koncipiran film s velikom odlikom da ima izjave obaju sukobljenih strana.

 › This documentary film tells the story of a Ney (reed flute) maker and what Ney represents in the Mevlivi philosophy.

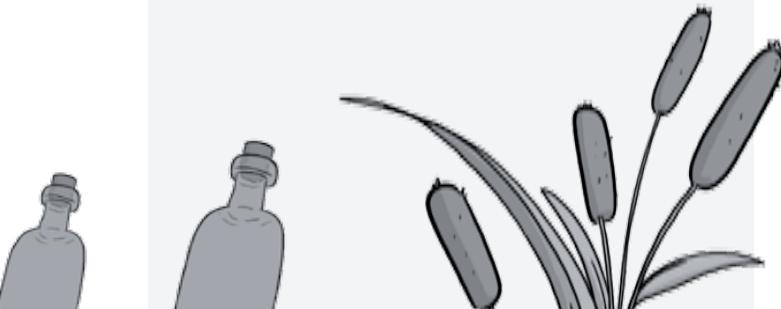

### *Boško Picula:*

› Tradicionalno tursko glazbalo i poznati derviški ples u ovom dokumentaru metaforično progovaraaju o savršenosti života samo ako je čovjek sretan u ljubavi. Usporedba čovjeka s umjetnošću vrsno je koncipirana i od početka ostvarena kroz odgovarajući ugodađaj.

› The traditional Turkish music instrument and the famous dervish dance in this documentary metaphorically speak out about the fact that life can be perfect only if we love. The comparison of man to art is exceptionally well conceived and from the outset has been carried out in an appropriate setting.

### *Vjekoslav Žirković:*

### *Sinopsis / Synopsis:*

- › Dvije djevojke pričaju o svojim životima.
- › Two girls are speaking about their life.

### *Boško Picula:*

- › Mlade dame u filmu uistinu imaju što reći, a mladi filmaši s kamerama uistinu imaju što zabilježiti. Sretna podudarnost rezultirala je iskrenim i dojmljivim minidokumentarcem koji je i specifičan svojom pričom i univerzalan svojim pristupom.
- › These two young ladies definitely have plenty to say while the young filmmakers

ers have more than enough to film. This lucky coincidence has resulted in a sincere and impressive mini documentary that is both unique in its story and universal in its approach.

### *Vjekoslav Živković:*

- › Dokumentarni film koji nam prikazuje dvije mlade Romkinje. One nam svojim razmišljanjima i stavovima razbijaju sve ustaljene predrasude o Romima. Kratko, jasno, veselo i nadasve simpatično.
- › A documentary film that introduces us to two Roma girls. Their thoughts and attitudes break all the usual prejudices about Roma people. Short, clear, cheerful and highly likeable.

### *Sinopsis / Synopsis:*

- › Kakav je osjećaj kad vas policija zaustavi na cesti i pretraži? Troje mladića govore o svojim negativnim iskustvima s pretresima.
- › What does it feel like to be stopped and searched by the police in the street? Three young men reflect on their own negative stop-and-search encounters.

### *Boško Picula:*

- › Kako se jedan običan dan može pretvoriti u jedno neobično i neugodno iskustvo. S jedne strane mladi, s druge strane policija, a u sredini filmska kamera. Barem bi tako trebalo biti kada su posrijedi rekonstrukcije događaja kakve obično gledamo u kriminalističkim serijama. Neosporno atraktivno snimljen i koncipiran film, bio bi bolji da su autori opisanom događaju dodali kontekst.

› An ordinary day can turn into an unusual and unpleasant experience. Young people on the one hand, the police on the other and a film camera in the middle. At least that is how it should be when we are dealing with a reconstruction of events we usually see in crime shows. Undoubtedly an attractively shot and conceived film, but it would have been even better if the authors had added a context to the said events.

### *Vjekoslav Živković:*

- › Dva mladića prepričavaju svoja neugodna iskustva s lokalnom policijom. Film te njihove priče pokušava vizualno rekonstruirati. Filmu fali objektivnosti jer u njemu čujemo samo jednu stranu bez obzira koliko ona zvučala uvjerljivo i istinito.
- › Two young men speak about their negative experiences with the local police. The film tries to visually reconstruct their stories, however the film lacks objectivity because we only hear one side of the story no matter how convincing and true it sounds.

### Sinopsis / Synopsis:

› Mlada Romkinja Bahar spremna je za udaju. U filmu gledateljima objašnjava običaje Hidiralleza (Kakava) i o tome kako slave dolazak proljeća, kako sve mlade djevojke odijevaju vjenčanice kako bi se skoro mogle udati, zašto na prozor stavljuju grančicu ubranu sa stabla i kako izgleda stvarni bračni život nakon vjenčanja u toj romskoj četvrti Edirne.

› Bahar, a young Roma girl, is ready to get married. In the film she is explaining the viewer the customs of Hidirellez (Kakava), including how they celebrate the coming of spring during the festivities, how all the young girls wear a wedding dress so that they would be married soon, why they put a fresh branch from a tree on their door, and what real life after marriage is like in this Roma neighborhood of Edirne.

### Boško Picula:

› Iskrene izjave pripadnika romske zajednice u Turskoj u kontekstu vjerskog blagdan-a i festivala protječu uz nizanje fragmenata koji živo oslikavaju jednu sredinu i njezina nadanja, razmišljanja i htijenja. Film čije su kamere gotovo u svakom trenutku na pravom mjestu na pravi način.

› Very sincere comments from the people of the Roma community in Turkey in the context of a religious holiday and the festival, flowing through a series of fragments portraying one community, its hopes, thoughts and desires. A film in which the cameras are in the right place at the right time and in the right way.

### Vjekoslav Živković:

› Dokumentarac koji kroz dvije mlade Romkinje progovara o njihovim željama i idejama o vlastitoj budućnosti te kroz te dvije vizure film progovara o položaju žena u romskom društvu. Najkvalitetniji dio filma je svakako kamera koja je za sve sugovornike potpuno nepostojeća.

› Through voices of two young Roma girls expressing their desires and ideas about their own future, this documentary talks about the position of women in Roma society. The best feature of the film is definitely its cinematography that manages to remain completely unobtrusive.

› Troje mladih iz Bristol-a daju prikaz o tome kakvu sliku o mladima imaju odrasli.

### Boško Picula:

› Kako mlade doživljavaju u društvu? Pitanje je to na koji su pokušali odgovoriti mladi filmaši iz Velike Britanije i pritom dobili ne samo veoma zanimljive odgov-

re nego i izvrstan kratki film čija je dokumentarna i estetska vrijednost neupitna.

› How are young people perceived by the society? That is the question to which these young UK filmmakers try to provide an answer and the result are some very interesting responses, as well as an excellent short film which undoubtedly possesses great documentary and aesthetic quality.

### Vjekoslav Živković:

› Reportaža koja istražuje kakav je položaj mladeži u britanskom društvu. Vrlo dinamično i originalno.  
 › A report that looks into the issue of the position of young people in the British society. Very dynamic and original.

### Sinopsis / Synopsis:

- › Mladi autori razgovarali su s raznolikom grupom ljudi koji žive uz zapadnu obalu Dorseta i čiji životi su na neki način povezani s morem. Ti razgovori isprepleteni su nevjerojatnim slikama vezanim uz to obalno područje. Konačni je rezultat poetični film koji skladno teče i dočarava atmosferu obale i prikazanih likova.
- › The young filmmakers interviewed a group of various people living along the West Dorset coast and whose lives are linked in some way with the sea. These interviews are interspersed with striking images associated with the coastal locations. The end result is a poetic and well-paced film that catches the atmosphere of the coast and the featured characters.

### Boško Picula:

› Život uz more djeluje kao film, čak i kada nisu upaljene kamere. A kada jesu i kada se iza njih nalaze mladi filmaši koji pokraj mora pronadu zanimljive priče i sugovornike, nastaju dojmljivi i informativni dokumentarci. Uvjerljiv koncept i izvrstan snimatelski rad.

› Life by the sea seems like a film even when the cameras are not turned on. And when they are and when young filmmakers find interesting stories and subjects by the sea, the result is an informative and impressive documentary. A convincing concept and excellent cinematography.

### Vjekoslav Živković:

› Dokumentarac o moru i ljudima koji su u izravnom kontaktu s njime. Zanimljivo koncipiran uradak koji malo toga pokazuje a opet puno toga kaže.

› A documentary about the sea and people who are in direct contact with it. An interestingly conceived film that shows a little, yet says a lot.

- › Aaron is hiding in an abandoned house. His family and friends are searching for him, but Aaron doesn't seem willing to make contact.

### Boško Picula:

- › Obiteljski i emocionalni problemi najčešće pogadaju djecu. Kada formativno razdoblje protjeće uz takve probleme, svaka je životna situacija drama. Baš poput ove filmske priče koja iz različitih vre-

menskih točaka dojmljivo slaže mozaik (ne)snalaženja naslovnog mladića u odnosima sa svojom okolinom. Složeno i sadržajno i vizualno.

- › Children are the ones most affected by family and emotional problems. When their formational years are spent being surrounded by such problems, every life situation is dramatic. That is the case here in the film which from different time perspectives creates a mosaic of how the protagonist copes with his surroundings. Complex both in terms of content and visually likewise.

### Vjekoslav Živković:

- › Film strašno isprepletene scenoslijeda, ali odlična režija čini ga tečnim i jasnim u svakom trenutku.
- › The film has a very intricate sequence of scenes but the wonderful directing gives it an easy flow and clarity at every step.

### Sinopsis / Synopsis:

- › Lenina i Martinova veza je u krizi. Među njima je neopipljiva udaljenost i napetost. Lene pokušava oživjeti njihovu vezu, ali Martin živi u svom svijetu mašte u kojem je njihova kćer još uvijek živa. Lenina borba postaje vratiti Martina u stvarni svijet borba koja se može shvatiti i kao njezina borba da spasi njihovu vezu, ali i da se Martin pomiri sa smrću njihove kćeri. Na kraju ona odustaje i prepusta se Martinovoj iluziji, i tu se uspijeva ponovno s njime povezati.

- › Lene and Martin's relationship is falling apart. There is an ambivalent distance between them, and the mood is always tense. Lene tries hard to revive the relationship, but Martin lives in his own dreamworld, where their departed daughter is still alive. Lene struggles to get Martin back to the real world, a strife that can also be seen as her campaign to get the relationship back on track, but really it is a battle

to make Martin let go of their daughter. In the end she gives up and surrenders herself to Martin's illusion, where she finally connects with him again.

### Boško Picula:

- › Kada sretna ljubav upadne u monotoniju i otuđenje... što joj može pomoći? Novi smisao prema kojem kreće ovaj atmosferski rad za kojega je teško pretpostaviti da su ga osmisili i realizirali filmaši dvostruko mlađi od središnjeg para ispred kamere. Ovako koherentnu priču ne bi bolje snimili ni puno zreliji autori.
- › When a good relationship reaches a monotonous and alienated period... what can be done? Perhaps a new meaning, which is what this atmospheric film moves towards and it is hard to believe that it was conceived and realised by filmmakers who are half the age of the characters in front of the camera. Much more mature directors would have a hard time making a story this coherent.

### Vjekoslav Živković:

- › Igrani film koji prati jedan bračni par koji se nalazi na velikim iskušenjima u vlastitoj vezi. Scenarij i režija su najupečatljiviji dio u ovom filmu.
- › A fiction film that follows a married couple faced with a great predicament in their relationship.

### Sinopsis / Synopsis:

- › Jedan se čovjek nalazi u čekaonici. Očajnički nastoji uspostaviti kontakt s drugim ljudima u prostoriji, ali dobiva njihovu pažnju tek kad mu novčić padne na pod.
- › A man is in a waiting room. He is desperate to achieve contact with the other people in the room, but only catches their attention when he drops a coin on the floor.

### Boško Picula:

- › Čekaonice mogu biti prava mjesta za filmsku radnju. Jesu li autori ovog filma namjerno htjeli biti hermetični u tako zada-

nom prostoru? Vjerojatno da. Zato film djeluje puno bolje kao iskušavanje jednog prostora i ponašanja ljudi unutar njega negoli kao kompaktna priča.

- › Waiting rooms can be perfect places for a film story. Did the authors want to be so hermetic in such a limited space on purpose? Probably. That is why the film works a lot better as a test of a space and people's behaviour inside it than as a compact story.

### Vjekoslav Živković:

- › Film malo pretjerano kazališne režije, ali iznimno neobične strukture, no ipak se uspijeva i kroz takvu režiju poigravati psihom i glumaca i gledatelja.
- › The directing is slightly over the top theatre-like but the film's structure is highly unusual, and yet it still manages to tease the actors' and the viewers' psyche.

## DER PU • DER PU

» HDV / DVD-R, stereo, 2009, 5'11"

*Redatelj / Director:* Nikola Janković  
**Media Education Centre, Srbija / Serbia**

### Sinopsis / Synopsis:

- › Danas, kada je u trendu porast liberalnih stavova povodom seksualne opredijeljenosti, javlja se i porast aktivnih stavova suprotnog mišljenja. Tako, u Srbiji, kao i u mnogim drugim zemljama često dolazi do predstava među mlađima koje se vrlo često baziraju na prvim dojmovima. Čak i duga kosa vrlo često, pa makar kroz humor dolazi u konotaciju sa homoseksualizmom, jer po nekim ustaljenim "pravilima muškosti" duga kosa nije adekvatna. Naravno, ovakva mišljenja su malobrojnija u odnosu na ostala, i njih zastupa određena grupa ljudi za koje se, ruku na srce, ne smatra da su pretjerano obrazovani, a ni zdravoumni. Ali da ih ima, pa ima ih. Samo ime ovog filma je šaljivi anagram riječi peder, zapravo puder. A kako se to žargoniski može izvrnuti, Puder je postao derPu.

- › Nowadays, with the increase of liberal attitudes about people's sexual orientation, there is also an increasing number of those with active attitudes of the opposite stance. In Serbia, therefore, as in many other countries there are prejudice present among young people, often conceived based on first impressions. Even long hair is often, even if only through humor, linked to being homosexual, because by some "rules of manliness" long
- hair in a man is not adequate. Of course, this sort of opinions is less frequent compared to others and is here represented by people who are thought of, frankly, as being uneducated or even not in their right mind. But they are there. The title of the film is an anagram, DerPu meaning 'peder' (=gay), actually 'puder' (=powder), so by transposing the syllables of 'Puder' you get DerPu.

### Boško Picula:

- › Puder ponekad skriva nepravilnosti na licu, a ponekad otkriva nepravilnosti u društvu. Sjajno režiran film o nasilju i nesnošljivosti ima i zaplet, i glumu, i atmosferu. Naslovno poigravanje ključnom riječu samo upotpunjuje dojam.
- › Powder sometimes conceals skin flaws but it can also reveal the irregularities in the society. A brilliantly directed film about violence and intolerance has it all, the plot, acting and atmosphere. The pun on words in the title only adds to the overall impression.

### Vjekoslav Živković:

- › Igrani film koji krasи odlična režija. Tema je odlična jer govori o nasilju među mlađima, a ovakve priče pune naše crne kronike u novinama.
- › An excellently directed fiction film. The topic is great because it deals with violence among young people and the crime sections of the media are full of stories like this.

- › Život strasnog voditelja biciklističkih utrke okrenut će se naglavačke za vrijeme izvršavanja svog posla.
- › The life of a passionate traffic leader during bicycle races gets turned upside down while carrying out his duties.

### Boško Picula:

- › Sjetna priča o postarijem biciklistu u očekivanju prolaska natjecatelja na velikoj utrci ispričana je s puno osjećaja za atmos-

feru i središnji lik. Film ugodaja i sjajne režije.

› A melancholic story about an elderly cyclist waiting for participants at a big race to pass by, told with a lot of sense for atmosphere and character. An excellently directed film emphasising the mood.

### Vjekoslav Živković:

- › Film sa minimalističkom radnjom. Zaprta gotovo da i nema. Ono što odlikuje ovaj film je ogroman trud koji je uložen u njega.
- › A film with a minimalist plot. There are almost no events in the story. What makes this film great is the amount of work and effort put into it.

### Sinopsis / Synopsis:

- › Troje djece se dosađuje i pitaju se što bi mogli raditi. Jedan od dječaka je nedavno gledao film o nindžama i nagovori ostale da se igraju da su nindže. Ali djevojčica želi romantični završetak pa moraju odigrati i jednu romantičnu scenu. Jedan strašni zvuk odvodi ih na zastrašujuće mjesto duhova ali na kraju slave u bollywoodskom stilu. Ovo je film o dječjoj igri ali i o igri žanrova.

› Three kids are bored and wonder what to do. One of the boys has recently seen a Ninja-movie and talks the other two into pretending to be ninjas. But the girl wants a romantic ending, so the boys have to play a romantic scene as well. A scary sound takes them to a scary, ghostly place, but in the end they celebrate in the style of a Bollywood movie. The film is about kids' play, but it is also a play with genres.

### Boško Picula:

- › Kada igra postane uobičajena, tu je uvijek mašta. Djeca iz ovog filma upravo pomoću mašte postaju junakinjama i junacima

priča svih filmskih žanrova: akcijskih filmova, melodrama, mjuzikala, znanstveno-fantastičnih filmova... Koncept asociira na neke od filmova Dušana Vukotića (Igra, Sedmi kontinent,...) što je, naravno, kompliment.

› When playing becomes routine, there is always the imagination. The kids in this film, precisely with the help of imagination, become heroes and heroines of the stories belonging to all film genres: action, melodrama, musical, science fiction films.. The concept evokes of some of Dušan Vukotić's films (Play, The Seventh Continent,...), which, of course, is a compliment.

### Vjekoslav Živković:

› Igrani film o troje malih prijatelja koji igrajući se stvaraju prave male igrano-filmske scene. Ideja filma pa i naslov jako podsjećaju na film velikana animacije Dušana Vukotića "Igra". Najsimpatičniji dio filma su sami glumci koji su svoj dio odrali krajnje profesionalno.

› A fiction film about three young friends who through playing create veritable fiction scenes. The idea of the film, as well as the title, is reminiscent of the film by the famous animation director Dušan Vukotić, "Play". The nicest part are the little actors who have done their part highly professionally.

- › Prometej meets Neža at the bus station. He knows everything about her although she sees him for the first time. He also tells her not to go on the bus that is coming. But she doesn't listen to him...

### *Boško Picula:*

- › Žanrovska spoj drame i parapsihološkog trilera, rad mladih slovenskih filmaša ima i zaplet i ozračje kakvi se očekuju od ovakvih priča. Pritom najviše pljeni koncentrirano vođenje priče koja nikad ne prelazi granicu uvjerljivosti i neuvjerljivosti.

This generic mixture of drama and para-psychological thriller is a work by young Slovenian filmmakers and its plot and atmosphere are well suited for this sort of story. The best feature is the controlled directing of the story that never goes over the line of plausibility or improbability.

### *Vjekoslav Živković:*

- › Igrani film koji tematizira zagrobni život ili bolje rečeno ono što nas čeka neposredno nakon smrti. Slične ideje možemo vidjeti u današnjim televizijskim serijama. Ideja i nije možda previše originalna, ali je izvedba itekako vrijedna gledanja, ako ne i divljenja. Ekipa filma se stvarno potrudila.
- › A fiction film dealing with the issue of afterlife, or rather of what happens immediately after death. Today similar ideas can be found in TV series. Though the idea is perhaps not the most original one, the implementation is definitely worth seeing, even admiring. The film crew has really invested a lot of effort in the film.

- › Kad se netko na pravi način nadahne radovima Alfreda Hitchcocka, a pritom u film unese nešto svoje, nastaju ovakvi više

nego zanimljivi radovi kojima ne manjka ni ugodaja ni iščekivanja. Odlično snimljeno i režirano.

- › When one finds the right sort of inspiration from Alfred Hitchcock's and combines his elements with their own, the result is an interesting film like this one lacking neither in atmosphere nor in suspense. Excellently shot and directed.

### *Vjekoslav Živković:*

### Boško Picula:

- › Još jedan društveno angažirani film tematizira politički burna vremena u Turskoj 1980. preko ljubavi mladog revolucionara i njegove djevojke. Ljubav ili revolucija? Dvojbu razrješava poprilično radikal-

- › Another socially engaged film dealing with the politically turbulent times in Turkey in 1980 through the love story of a young revolutionary and his girlfriend. Love or revolution? The conflict is resolved in a pretty radical finale that is fitting for both the film's critical overtone and the romantic story. Very good.

### Vjekoslav Živković:

### *Boško Picula:*

- › Žanr fantazija morao se odraziti i na filmske radove srednjoškolaca. Iako nizanje

- › The fantasy genre had to find its way into the inspiration for films by high school kids. Despite using well known motifs the film very skilfully uses the available special effects without which it is impossible to imagine fantasy films. Better than good.

### *Vjekoslav Živković:*

- › Priča kojoj originalnost nije jača strana, ali je priča opet ispričana na način da drži gledatelja uz film od početka do kraja. Sama izvedba je ono što zadivljuje. Puno je truda uloženo u ovaj film.

### Boško Picula:

- › Biti drukčiji često znači biti izložen drukčijem tretmanu. Film ovom problemu pri-

Odluka da se tema razradi preko dječaka čija je želja postati reperom, a otac mu se nalazi u zatvoru, pun je pogodak. › Being different often means being treated differently. › Ovo je priča o dječaku Leonu koji djedu na samrti obeća da će svirati trombon. Jedini problem su dječakovi roditelji koji žele da se on bavi nečim 'ozbiljnijim' kao što je ekonomija. No Leon je tvrdoglav i nije ga briga. Saznaje za mladog svirača trombona, po imenu Narkus, za kojeg smatra da je dovoljno dobar da bi ga mogao podučavati. I iako ne zna gdje on živi niti da ne priča ni sa kime, Leon kreće da dugu potragu za svojim novim učiteljem a možda i prijateljem.

› This is a story about a young boy Leon who makes a promise to his dying grandfather that he will play the trombone. There is only one problem - his parents are against him playing as they want their son to do something "serious", like

studying economics. However, Leon is stubborn and he doesn't care. He hears about a young trombonist called Narkus who Leon thinks is good enough to teach him. Even though he doesn't know where he lives and that he doesn't communicate to anyone, Leon starts the long journey of looking for his new teacher and maybe his new friend.

### *Boško Picula:*

› Glazba je počesto najbolji most među ljudima. Priča o dječaku i njegovu nešto starijem učitelju trombona odlikuje se promišljenim scenarijem i isto takvom režijom koja u petnaest minuta ostvaruje pravu malu dramu s nekoliko uvjерljivo profiliranih likova.

› Music is often the best way to reach people. A story about a boy and his slightly older trombone teacher possesses a well thought out script and is excellently directed, in fifteen minutes it accomplishes a true little drama with convincingly formed characters.

 › The music video tells the story of a girl whose parents died in a car crash and how dancing is the only thing that keeps her going. The story is told through lyrics, action and flashbacks, exploring the young dancer's emotions, her courage and motivation.

### Boško Picula:

› Ponajbolji su glazbeni videospotovi osmišljeni i realizirani kao filmske priče. To vrijedi i za ovu atmosferičnu priču o odrastanju, roditeljskoj ljubavi i obiteljskim odnosima koja uz pomoć pjesme, glazbe i plesa ostvaruje više nego uspjelu cjelinu.  
 › The best of music videos are conceived as film stories. This is also true of this atmospheric story about growing up, parental love and family relations, which along with the help of song, music and dancing creates a very rounded whole.

### Vjekoslav Živković:

› Glazbeni videospot, u kojem glavni akteri zbilja pjevaju za razliku od drugih glazbenih spotova. Slika sadržajno i ritmički prati glazbu što je za pohvalu, s obzirom da današnji glazbeni spotovi većinom nemaju nikakav sadržaj.

 › The sounds of three neighborhoods in Bologna have inspired the young animation artist to create the visual improvisations that have resulted in this attractive visual experiment. Literally an image that moves and makes sounds.

### Vjekoslav Živković:

› Simpatičan animacijski koncept s originalnim animacijskim rješenjima.  
 › An interesting animation concept with original animation solutions.

## DJeca sjenki • Children of the Shadow

» HDV / DVD-R, stereo, 2007, 8'52"

Redatelj / Director: grupa autora

Na filmu sudjelovali / In co-operation with:

Tom Stubbs, Joff Winterhart

Digital Fish/Knowle West Media  
Centre, UK

### Sinopsis / Synopsis:

- › Kad se avion međunarodnog rock band-a "Children of the Shadow" sruši iznad Hartcliffe pored Bristola, započinje lov na novog frontmana.
- › When the international rock band "Children of the Shadow" crash their plane flying over Hartcliffe, Bristol, the hunt begins to find a new lead singer.

### Boško Picula:

- › Prije no što se slike pokrenu, poglavito u animaciji, te slike same po sebi moraju biti dobro osmišljene. Osobito u kontekstu priče. Članovi rock-skupine o kojima

govori film već na prvi pogled osvajaju svojim izgledom, a veoma se dobro uklapaju i u zapletu kroz koji ih vode autori. Otkačeno.

- › Before the images start moving, especially in animation, the images themselves have to be conceived well. Especially in the context of a story. The members of the rock band, who are the subjects of the film, win us over at first glance by their appearance and they also fit in really nicely with the plot through which the authors of the film lead them.

### Vjekoslav Živković:

- › Simpatična humoristična animirana priča u kolazu o jednom rock bendu. Film odlikuje jednostavnost s naglaskom na samu priču koja će se zasigurno svima dopasti.
- › A catchy animated story in collage about a rock band. The film's strong point is its simplicity with the emphasis on the story that everyone will definitely like.

## Mamutska ideja • A Mommoth Idea

» HDV / DVD-R, stereo, 2009, 3'51"

Redatelj / Director: grupa autora

Electric December, Cotham School, UK

### Sinopsis / Synopsis:

- › Pridružite se neobičnim učenicima iz škole Cotham u njihovom nastojanju da mamute vrate 'iz izumirlosti'.
- › Join some curious pupils from Cotham School on their quest to bring back the woolly mammoth from extinction.

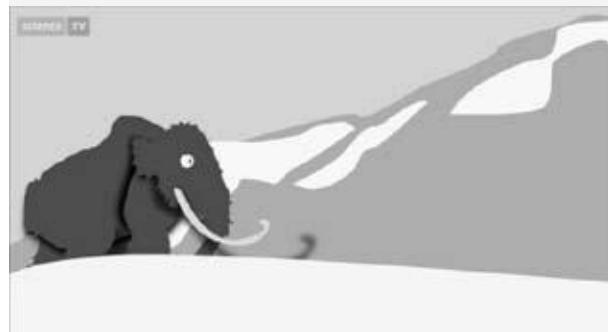

### Boško Picula:

- › Kada bi većina školskih lekcija bila obrađena na ovako duhovit, dinamičan i informativan način, svaki bi dan u školi bio potpuni filmske priče. Do tog trenutka možemo uživati u radu mladih filmaša koji su se pozabavili mamutima na rijetko plastičan način. Od naslova do posljednjeg kadra.

› If all school lessons were this funny, dynamic and informative, every day in school would be like a film story. Until then we can enjoy the work of the young filmmakers who have made a highly authentic film about mammoths, from beginning to end.

### Vjekoslav Živković:

- › Reportaža koja se na edukativan i istraživački način bavi mamutima te idejama da se genetikom mamuti pokušaju ponovno vratiti u život. Vrlo dinamično i nadasve zabavno.
- › A report with an educational and research component about mammoths and the idea that genetics can be used to bring mammoths back to life. Very dynamic and highly entertaining.

## OD IZBORA DO PROMJENE • FROM CHOICE TO CHANGE

» HDV / DVD-R, mono, 2009, 5'10"

*Redatelj / Director:* Jack Crooker

*Na filmu sudjelovao / In co-operation with:*

Theo Boyce

**Club Flix, Suited and Booted Studios,  
UK**

### Sinopsis / Synopsis:

- › Ovaj nas film vodi u svijet jednog tinejdžera kojem je dosta ograničenja u životu i koji se odlučuje na promjenu.
- › This film takes you into the world of a teenage boy who is sick and tired of the restraints of life, so he decides to make a Choice to Change.

### Boško Picula:

› Svojevrsna monodrama koja bi se lako mogla nasloviti kao Ispovijest zaljubljennog uma. Snimljen u ograničenom prostoru, film otkriva iznimjan dar svog redatelja i snimatelja koji su postigli maksimum uz ono čime su raspolagali. No, ono najvažnije - priča, gluma i režija - ovdje ni sa

čim nisu ograničene. Malo godina, puno talenta.

› A monodrama of sorts that could easily be called The Confessions of a Mind in Love. Filmed in a limited space, the film reveals the exceptional talent of its director and cinematographer who have made the most out of what they had at their disposal. But the most important components - the story, acting and direction - are in this case not constrained by anything. So young, so much talent.

### Vjekoslav Živković:

› Film autoportret. Tu formu baš i ne vidamo prečesto na festivalima mlađeži. Režijski je film jako dojmljiv. Scenaristički film ostavlja dojam iskrenosti te time odmah šarmira gledatelja.

› The film is a self portrait which is a form we don't often see at youth film festivals. The directing is also very impressive while the script strikes us very honest and is immediately charming.

## PUT ZA NAHR AL BARED • THE ROAD TO NAHR AL BARED

» HDV / DVD-R, stereo, 2009, 5'20"

*Redatelj / Director:* grupa autora

*Na filmu sudjelovao / In co-operation with:*

Fadi Mohammad

*Voditelj / Group leader:* Hidnam Kayed  
**Arab Resource Centre for Popular Arts,  
Libanon / Lebanon**

### Sinopsis / Synopsis:

- › Dvoje najboljih prijatelja razdvojeni su u sukobu u Nahr Al Baredu 2007. Raja kreće potražiti svog najboljeg prijatelja na ulicama njihovog novog doma u izbjegličkom kampu Beddawni.
- › Two best friends lose each other after the 2007 conflict of Nahr Al Bared. Raja goes in search of this best friend in the alleyways of their new home in Beddawni Camp.

### Boško Picula:

› Ni najteži konflikti ne mogu oslabiti čovjekovu potrebu za prijateljstvom. Naprotiv. Na primjeru bliskoistočnog sukoba i dvojice dječaka iz palestinskog izbjegličkog logora u Libanonu, film prikazuje potragu

za nestalim drugom kao potragu za mirom i nadom u bolje sutra. No, druženje je i nakon naoko sretnog obrata neizvjesno, baš kao i mir. Snažno i jednostavno.

› Not even the worst of conflicts can diminish the human need for friendship. On the contrary. Using the case of the Middle Eastern conflict and two boys from Palestinian refugee camp in Lebanon, the film portrays the search for a missing friend as a search for peace and hope for a brighter future. But the friendship is, even after a seemingly lucky twist, still precarious, just like the peace. Powerful and simple.

### Vjekoslav Živković:

› Kratka priča o prijateljstvu. Dva prijatelja traže jedan drugog u izbjegličkom kampu. Nakon što pronadu jedan drugoga, sudbina ih ponovno razdvoji. Film solidne režije i scenarija.

› A short story about friendship. Two friends looking for each other at a refugee camp. After they find each other, fate separates them once more. Solid directing and scriptwriting.

## ŠAH-MAT! • SCHAAKMAT • CHECKMATE!

» HDV / DVD-R, stereo, 2009, 9'

Redatelj / Director: Katrien Debaene

Na filmu sudjelovali / In co-operation with:  
Jonckheer Femke, Chris Van den Bussche  
**Making Movies, Belgija / Belgium**

### *Sinopsis / Synopsis:*

- › Vizualna interpretacija igre šaha.
- › A visual interpretation of the old chess game.

### *Boško Picula:*

- › Šahovska je igra samo naizgled mirno sučeljavanje dvojice igrača. Kontrast te mirnoće uz šahovsku ploču i dramatizacije događaja u čijem su središtu oživljene figure, čine ovaj film itekako uspјelom metaforom. Dinamiku naglašava sugestivna glazba, a vodeće su odlike dosljedno prenošenje logike šaha na stvarnost te zgodno poigravanje fatalizmom.

› A chess game is only seemingly a peaceful match between two players. The contrast of this peacefulness over the chess board and the dramatization of events surrounding the chess peaces come to life, make this film a very successful metaphor. The dynamics is further emphasized by the suggestive music while the film's best quality is transferring the chess logic onto reality and the interesting flirting with fatalism.

### *Vjekoslav Živković:*

- › Na momente film ostavlja dojam bizarnosti, ali upravo mu je to najveća odlika. U ovom filmu sve bizarno je zapravo kreativno.
- › Now and then the film seems bizarre but that is precisely its best feature. In this film, everything that is bizarre is actually creative.

## SUSJEDA I DRAMA O VESNI • SOSEDA IN DRAMA O VESNI • THE NEIGHBOR AND THE DRAMA ABOUT VESNA

» HDV / DVD-R, stereo, 2010, 8'18"

Redatelj / Director: Ruben Ostan Vejrup  
**Gimnazija Poljane**

**Videomanija, Slovenija / Slovenia**

### *Sinopsis / Synopsis:*

- › Film prikazuje jedan četvrtak jedne žene. Ona se budi, odlazi u kupaonicu, pozdravlja se sa svojim partnerom i odlazi iz stana. U gradu sreće Vesnu i zaljubljuje se u nju. Veza se tijekom dana raspada, a na kraju dana žena doživljava slom u kućnici. Nakon toga svojem partneru zaželi laku noć i odlazi na spavanje.
- › The film depicts a Thursday in a woman's life. She wakes up, goes to the bathroom, says goodbye to her partner and then leaves the apartment. In the city she finds Vesna and falls in love with her. The affair disintegrates as the day comes to its end, with the woman having a breakdown in the toilet. After that she says goodnight to her partner and goes to bed.

### *Boško Picula:*

- › Intrapsihički život središnje junakinje proteče u stalnoj potrazi za vlastitim identitetom. Maska, lutka, trzaji... Sve su to uspjele metafore u ovom filmskom eksperimentu koji istovremeno djeluje kao dio neke videoinstalacije.

- › The intra-psychological life of the main protagonist passes in her constant search for identity. A mask, a puppet, jerkings... these are all successful metaphors in this film experiment that at the same time resembles a video installation.

### *Vjekoslav Živković:*

- › Eksperimentalno igrani film koji prodiре duboko u psihu lika u filmu kao i samog gledatelja. Odlična izvedba koja postavlja mnoga pitanja iako ne daje mnogo odgovora.
- › An experimental-fiction film that penetrates deep into the psyche of the character in the film as well as of the viewers. Wonderfully carried out, though it raises far more questions than it offers answers.

## ZELENE IDEJE • GREEN IDEAS

» HDV / DVD-R, stereo, 2007, 3'37"

Redatelj / Director: grupa autora

Na filmu sudjelovao / In co-operation with:

Roger Mitchell

Digital Fish/Knowle West Media  
Centre, UK

### *Sinopsis / Synopsis:*

› Jeste li znali kako nastaje plin metan? Zeleni, zajedno s supersoničnim znanstvenicima pronalaze način kako riješiti ovaj i druge probleme globalnog zatopljenja.

› Did you know how methane gas is produced? The green survivors, with the help of a team of supersonic scientists, think up ways to solve this and other global warming problems.

### *Boško Picula:*

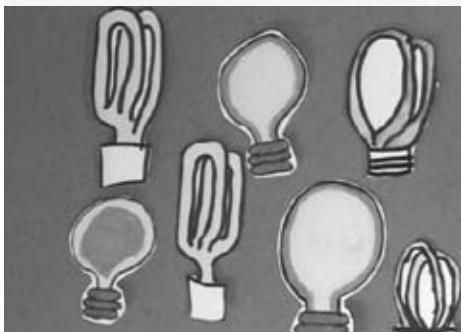

› Kako biti "zelen" i uspješan istodobno? Evo odgovora u ovom nepretencioznom filmu čije su ekološke poruke prenesene na razigran način. Dopadljivo i - poučno.

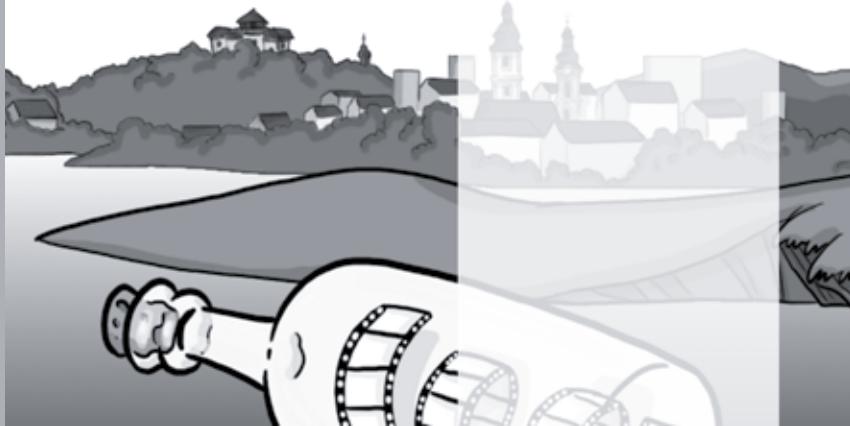

› How to be "green" and successful at the same time? This unpretentious film in which the environmental messages are transmitted in a playful manner offers an answer to this question. Likeable and - educational.

### *Vjekoslav Živković:*

› Zgodan kolaž film koji sa minimumom animacije postiže jako puno, što je zadivljujuće.

› A nice collage film that manages to achieve so much using a minimum of animation. Impressive.

## POPRATNI PROGRAM • OFF-PROGRAM

Popratni program Revije i Festivala iz godine u godinu buja. U tom (ne)kontroliranom kaosu vjerujemo da će svatko pronaći nešto za sebe.

### *Dubovac Open Air*

› u okrilju starog grada Dubovca, pod (nadamo se) vedrim karlovačkim nebom i ove godine prikazujemo filmove za nešto starije karlovcane. Tako nam direktno s festivala igranog filma u Puli stižu aposlutni pobjednik **"Neka ostane među nama"** Rajka Grlića i **"Dva sunčana dana"** Ognjeni Sviličića. Potonja projekcija posvećena je nedavnom i puno prerano preminulom snimatelju Vedranu Šamanoviću (inače direktoru fotografije na navedenom filmu).

### *Filmski 5+*

› program za najmlađe filmofile za koji se od samih početaka traži stolica više. Iz košare dječjih filmskih hitova ove godine smo odabrali: **"Tajna starog tavana"**, akcijski dječji film iz 80-tih redatelja Vladimira Tadeja, **"Čudnovate zgode Šegreta Hlapića"**, kreiran po lektirskom klasiku Ivane Brlić-Mažuranić, te **dvije projekcije ponajboljih animiranih filmova za djecu** iz Zagreb filma.

### *Srednjoškolci predstavljaju srednjoškolcima*

› edukativni program uveden na lanjskom izdanju kako bi se sudionike upoznalo sa sličnim festivalima i radionicama posvećenim srednjoškolskom filmu kako u Hrvatskoj, tako i u svijetu. Ove godine predstavljamo **"VAFI"** - varaždinski internacionalni festival animiranog filma djece i mladih, **"Electric December"**, program razmjene mladih filmskih talenata iz cijele Europe, te **Filmske radionice za djecu i mladež u Kraljevcu**.

### *Glazbeni program*

› na kraju svakog filmskog dana glazbeni epilog itekako dobro dode. Osim već iskušanog DJ-a Luke (koji je ove godine promjenio ime u **DJ Tom Luke**), glazbeni program začinit će nastup mladih kralovačkih bendova koji sam čekaju ushićeni uzvik srednjoškolki (a možda i pojed srednjoškolca): **Made in Taiwan i Deph**.

### *Kreativne radionice za sudionike*

› i ove godine organiziramo radionice za same sudionike Revije i Festivala. Na radioničkom pladnju u ponudi su čak tri glavna jela: **"Radionica filmske maske i šminke"**, **"K kao karikatura"** i posljednje, intrigantnog naziva **"365 - film za 10 lipa"**.

Every year the off-program of the YFF and the FRFF is getting bigger and bigger and we hope that in this

(un)controllable chaos everyone will be able to find something they like.

### *Dubovac Open Air*

› in the seclusion of the old town of Dubovac, under the (hopefully) clear sky of Karlovac, this year we again screen films for a slightly older Karlovac audience. Therefore, straight from the Pula Film Festival comes the absolute winner **"Just Between Us"** by Rajko Grlić, as well as **"Two Sunny Days"** directed by Ognjen Sviličić. The screening of the latter is dedicated to the recently and most untimely deceased cinematographer Vedran Šamanović (who was also the director of photography in the film).

### *Film 5+*

› the program for the youngest cinephiles for which everyone wants an extra ticket. From the vast collection of kids' film hits, this year we have chosen **"The Secret of an Old Attic"**, an action children's film from the 80s directed by Vladimir Tadej, **"Lapitch, the Little Shoemaker"**, based on the classic novel by Ivana Brlić-Mažuranic, and we have also prepared **two screenings of a selection of the best films** from the Zagreb Film's studio.

### *High School Kids for High School Kids*

› an educational program introduced last year with the intention of presenting other similar festivals and workshops dedicated to high school film, both in Croatian and abroad. This year we present **"VAFI"** - the International Children and Youth Animation Film Festival Varaždin, **"Electric December"**, an exchange program for the talented young filmmakers from all over Europe, and the **Kraljevica Youth Film Workshop**.

### *Music program*

› at the end of every festival day of films, a music epilogue is just what the doctor ordered. In addition to the already well-known DJ Luka (who recently changed his name to **DJ Tom Luke**), this year's music program will be spiced up by performances by young bands from Karlovac gearing up for a passionate roar of high school girls (or high school boys) from the audience. We bring you **Made in Taiwan** and **Deph**.

### *Creative workshops for the festival participants*

› this year we again organize workshops for the participants of the YFF and the FRFF themselves. We have prepared three main courses on the workshop menu to choose from: the **"Film Mask and Makeup Workshop"**, **"C for Caricature"**, and the one with the most intriguing title **"365 - film for 10 lipa"** (1 Croatian kuna = 100 lipa).

› Mnogi će puritanci postaviti pitanje kako se jedan film ovakvog sadržaja našao na repertoaru filmskog festivala srednjoškolaca. No koliko su puritanci, toliki su i licemjeri protiv kojih se novi Grlićev film upravo bori. Ova slatka drama s komičnim, ali gorkim okusom u ustima, odvodi gledatelje ne samo u zagrebačke ulice, već i krevete, gdje poanta postaje jasna samim logineom filma "Pogledajte prije nego ponovno previrate voljenu osobu". Pogledajte ga, uistinu. Stiže direktno iz Pule s osvojenih osam zlatnih Arena pod vedro karlovačkog neba.

Zločesta, indiskretna zagrebačka priča o virovima erotske strasti ispod mirne, trome površine građanske svakodnevice i običaja nastala iz pera dvojice okorjelih monogamista Rajka Grlića i Ante Tomića. Upoznajemo dva brata Nikolu i Bracu, njihove supruge Anamariju i Martu, ali i ljubavnice Laticu, Davorku i Tamaru te djecu. Čiju dječu? Pitanje na koje ni glavni junaci ne znaju odgovor. Sve se izmiješalo u dvostrukim životima, paralelnim vezama, u priči o neuromnom traganju za ljubavlju i srećom.

› Many people of the more puritanical outlook will ask themselves how this film

ended up in the program of the festival of high school film. But they are hypocritical as much as puritanical and precisely the sort of people Grlić's new film speaks out against. This sweet drama leaves the viewer with a comical yet bitter aftertaste and leads them not only to the streets of Zagreb but also into its beds, justifying the logline of the film "See it before you cheat on your loved one again." See it, definitely. The film comes to us under the clear Karlovac sky directly from the Pula Film Festival where it just won eight Golden Arenas.

This naughty and indiscreet Zagreb story about the whirlpools of erotic passion hidden underneath the monotonous surface of urban daily life and habits, is brought to us by two hardened monogamists, Rajko Grlić and Ante Tomić. We meet two brothers, Nikola and Braco, their wives Anamarija and Marta, and their mistresses Latica, Davorka and Tamara, as well as their kids. Whose kids? It is a question to which not even the protagonists themselves know the answer. Everything is intertwined in double lives and parallel relationships, in a story about the relentless quest for love and happiness.

## DVA SUNČANA DANA • TWO SUNNY DAYS

*Uloge/Cast:* Maya Sansa, Bristol Pomeroy, Leon Lučev, Sylvia Kristel...; *Režija:* Ognjen Svilicić; *Scenarij/Script:* Ognjen Svilicić; *Direktor fotografije/Director of Photography:* Vedran Šamanović; *Montaža/Editing:* Vjeran Pavlinić; *Producija/Production:* Maxima Film, HRT, Kino Elektron; *Trajanje/Runtime:* 78'; *Godina izdanja/Year:* 2010.; *Zemlja/Country:* Hrvatska, Francuska/Croatia, France

› Četvrti film Ognjena Svilicića kroz priču o međubračnim (ne)odnosima na neki način govori i o odnosu Hrvatske i svijeta, kako nije prema njemu, tako i njega prema njoj. Zvuk zrikavaca nasuprotni tišini velebitskih vrleti u kombinaciji sa snimatelskim okom Vedrana Šamanovića izuzetna je kombinacija. Vedranu, kome je ovaj film i posvećen, ovo je pretposljednji cje-lovečernjiigrani film, gdje je Svilicićeva i njegova simbioza dovedena do vrhunca, u što će se moći uvjeriti i gledatelji na Staram gradu.

Peter i Martina, par inozemnih turista, odmaraju se na hrvatskoj obali. Iako se trude, njihova veza ne funkcionira najbolje, čime su oboje nezadovoljni. Jednom prilikom Martina upoznaje Angelu i Didiera, par starijih turista iz Francuske, koji joj predlože zajednički izlet u prirodu. No nije riječ o običnoj šetnjici već o pravom lovju, gdje tenzije itekako porastu kada se vodič Stipe počinje upucavati Martini. To prilično uznenimiri inače mirnog Petera...

› Through a story about marital relations, the fourth feature film by Ognjen Svilicić,

speaks in a way about the relationship between Croatia and the world and how the two perceive each other. The sound of crickets on one hand and the silence of the ravines of the Velebit range on the other, combined with the sharp cinematographic eye of Vedran Šamanović are an extraordinary experience. For Vedran, to whom this film is dedicated, this was his penultimate feature film in which his and Svilicić's symbiosis reaches its climax, which the audience will have a chance to witness at the old Dubovac citadel.

Peter and Martina are a foreign couple spending their vacation on the Croatian coast. Even though they are really trying, their relationship has seen better days, which makes them both unhappy. One day Martina meets Angela and Didier, an older French couple, who suggest an outing into the country together. This turns out to be no ordinary walk in the park but a regular hunt where tensions rising when the guide Stipe starts making passes at Martina. This really rattles the usually calm Peter...

## TAJNA STAROG TAVANA • THE SECRET OF THE OLD ATTIC

*Uloga/Cast:* Mario Mirković, Jiri Guryca, Nina Petrović, Rene Bitorjac, Špilo Guberina...;  
*Režija/Director:* Vladimir Tadej; *Scenarij/Script:* Vladimir Tadej; *Direktor fotografije/Director of photography:* Kolin Jiri; *Producija/Production:* Filmovo Studio Gottwaldov, Croatia Film d.o.o.; *Trajanje/Runtime:* 101'; *Godina izdanja/Year:* 1984.; *Zemlja/Country:* Jugoslavija, Čehoslovačka/Yugoslavia, the Czech Republic

› "Tajna starog tavana" primjer je pravog dječjeg-omladinskog filma, žanra koji je u današnjoj hrvatskoj kinematografiji gotovo izumro. Kombinirajući pustolovinu, akciju, špijunažu i humor, *Tajna starog tavana* itekako ostaje na visini zadatka. Film je nastao u jugoslavensko - češkom koprodukciji, a među malim glumcima ističu se danas priznati u svojoj branši Mario Mirković i Rene Bitorjac.

Radnja prati dva dječaka radio-amatera, Miru iz Zagreba i Pepeka iz Praga, koji za vrijeme školskih praznika na Hvaru otkriju zaboravljeni izum čudnovatog antigravitacijskoga topa, inače djelo pokojnog Mirina pradjeda još iz vremena Prvog svjetskog rata. No osim ovog nestašnog dvojca, za izum su zainteresirani i međunarodni špijuni...

› "The Secret of the Old Attic" is a wonderful example of a true kids and teen film, the sort of genre that has today almost disappeared in the Croatian film production. Combining adventure, action, espionage and humor, *The secret of the Old Attic* is very much up to the task. The film was made in a Yugoslav-Czech coproduction and the cast includes the young Mario Mirković and Rene Bitorjac, today well-known actors.

The story follows two boys radio-amateur boys, Miro from Zagreb and Pepek from Prague who, while spending their school holidays on the island of Hvar, discover a peculiar forgotten invention, the anti gravitational cannon, designed by Miro's late great grandfather during World War I. But the mischievous boys will not be the only ones interested in the invention, since international spies also come looking for it...

› Klasičnu priču Ivane Brlić-Mažuranić o Hlapiću, junaku koji je bio "malen kao latak, veseo kao ptica, hrabar kao Kraljević Marko, mudar kao knjiga, a dobar kao sunce" na veliko platno u animiranom rahu donio je već priznati redatelj animiranih filmova za dječji uzrast, Milan Blažeković. Hlapić i njegova družba iz godine u godinu dobivaju sve više poklonika, a animirani miš koji ga je "utjelovio" postao je jednim od zaštitnih znakova produkcijske kuće "Croatia film".

Hlapić, maleni šegrт, nepravedno optužen, odlazi od kuće razgaziti tjesne čizmice koje je njegov gospodar želio baciti u vatru. Pas Bundaš, najbolji mu prijatelj, pobjegne odmah za njim. Već druge noći putovanja Hlapić ostaje bez čizmica - ukrade mu ih strašni Crni Štakor. Tragajući za ukradenim čizmicama, susreće Gitu, cirkusku djevojčicu, i njezinu papagaja Amadeusa. Nastavljaju putovanje zajedno, pomažući svakom i doživljavajući niz neobičnih i opasnih pustolovina. U koначnom obračunu hrabri Hlapić pobjedi zluradog lopova i s novim prijateljima i pronađenim čizmicama vraća se kući gdje ih sve čeka još jedno veselo iznenadjenje.

› The classic story by Croatian writer Ivana Brlić-Mažuranić about Lapitch (or Hlapić), the hero who was "a tiny critter, as happy as a clam, as brave as a lion, as wise as an owl and as kind as could be", was brought to the big screen in its animated form by Milan Blažeković, already well established as a director of children's animation. Lapitch and his friends have over the years attracted more and more fans while the animated mouse who 'embodied' him has become one of the trademarks of the production house Croatia Film.

Lapitch, the young apprentice, wrongly accused leaves home to break in the tight boots his master wanted to throw into the fire. The dog Bundaš, who is his best friend, runs away with him. On the second night Lapitch has his boots stolen by the mean Black Rat (Crni Štakor). Looking for the stolen boots, Lapitch meets Gita, a circus girl and her parrot Amadeus. They continue the journey together helping everyone they meet and finding themselves in a series of unusual and dangerous adventures. In the final encounter the fearless Lapitch defeats the wicked thief and together with his new friends and the treasured boots returns home where they are in for another amazing surprise.

## ELECTRIC DECEMBER

Organizacija Watershed organizira *Electric December* od 1999. U to vrijeme *broadband* internet je još uvijek bio u povojima, ali Watershed je prepoznao da internet ima ogromni potencijal koji se može iskoristiti kao kreativni medij. Rodio se Electric December, koji funkcioniра baš kao i klasični adventski kalendar - svaki dan u vremenu uoči Božića otvara se virtualni prozor iza kojeg se krije digitalna poslastica. To je blagdanski izbor i miks - igre, animacije, filmovi i sve između.

Posjetitelji na electricdecember.org nisu jedini koji uživaju u ovoj kreativnoj energiji. Tijekom godina, Electric December pokrenuo je mnoga partnerstva digitalnih umjetnika i filmaša sa školama i udruženjima kako bi proizveli ove virtualne poklone. Ta partnerstva pomogla su razvoju vještina brojnih profesionalaca i razvila, kod stotina ljudi koji su sudjelovali na projektu Electric December, interes za čuda koja krije inter-

net. Poveznice su stvorene i u pravom i u virtualnom svijetu.

Od 2007. Electric December uređuje eShed, Watershedovu mrežu koju vode mlađi ljudi za mlade ljude (u dobi 14 - 21 god.) koje zanimaju film i mediji. Oni su uključeni u sve faze projekta - odabir filmova, dizajn internetske stranice i produkciju trailer-a.

2008., u svom desetom izdanju, Electric December je po prvi puta prikazao sadržaje autora iz cijele Europe. Mladi iz Španjolske, Njemačke, Poljske, Francuske, Nizozemske, Litve, kao i iz drugih dijelova Ujedinjenog kraljevstva, predstavili su svoje 24 virtualne poslastice.

Electric December prerastao je iz platforme talentiranih mlađih ljudi iz Bristol-a i jugoistoka Engleske u potpuno europsku proslavu i razmjenu ideja mlađih ljudi i filmskih mogućnosti.

Holly McIntosh

Watershed has been producing Electric December, its annual online advent calendar, since 1999. Back then broadband was still in its infancy but Watershed recognised that the web had huge potential to be harnessed as a creative medium. Electric December was born and hasn't looked back since. It works just like a traditional advent calendar - every day in the run-up to Christmas you open a virtual window, and behind it you discover a digital delight. It's a festive pick and mix - games, animations, films and everything in-between.

Visitors to electricdecember.org aren't the only people who have enjoyed this creative energy. Over the years Electric December has brokered many partnerships between digital artists and filmmakers with schools and community groups to produce the virtual gifts. These partnerships have honed the skills of countless professionals and fostered an interest in the wonders of the web for the hundreds of people who have been

involved in the making of Electric December. Connections have been made in both the real and the virtual worlds.

Since 2007 Electric December has been curated by eShed, Watershed's network run by young people for young people (aged 14-21) interested in film and media. They're involved in all stages of the project - selecting the films, designing the website and producing trailers.

In 2008, its tenth year, Electric December showcased content from across Europe for the first time ever. Young people from Spain, Germany, Poland, France, the Netherlands, Lithuania and other regions of the UK made the 24 virtual treats.

Electric December has gone from being a showcase of talent from Bristol and the South West to a truly European celebration and exchange of young peoples' ideas and filmmaking potential.

## VAFI - INTERNACIONALNI FESTIVAL ANIMIRANOG FILMA DJECE I MLADIH VARAŽDIN • VAFI - INTERNATIONAL CHILDREN AND YOUTH ANIMATION FILM FESTIVAL VARAŽDIN

› VAFI - internacionalni festival animiranog filma djece i mladih Varaždin predstavlja filmove koje su radila djeca i mlađi. Sama ideja o osnivanju festivala takve vrste stara je nekoliko godina, a nastala je iz želje da se promovira dječje stvaralaštvo na svim razinama, da se na jednom mjestu okupe svi mali animatori, njihovi voditelji, profesionalci i ljubitelji animiranog filma iz Hrvatske i svijeta, da se od Varaždina, učini mjesto gdje će oni izmjenjivati svoja iskustva te stvoriti nova prijateljstva van granica države, mjesto gdje će djece i mlađi uživati u filmovima, naučiti nešto novo, a istovremeno međusobno se družiti, ali i povezati jednom lijepom uspomenom i prijateljstvom za cijeli život.

Varaždin, jedan od najljepših i najrazvijenijih gradova Hrvatske i grad prijatelj djece idealan je domaćin jednog takvog festivala u kojem želimo objediti kvalitetu, znanje, profesionalnost, druženje, zabavu, stvaranje i kreativnost u savršeni balans. VAFI smo podijelili u tri dobne kategorije kako bi se nagrade mogle pravednije raspodijeliti. Svaka kategorija ima svoje ime - MINI za djecu do 10 godina, MIDI za djecu od 11 do 14 godina i MAXI za mlađe od 15 do 18 godina.

Rok prijave na 2. VAFI je 15. siječnja 2011. godine. Internetska stranica festivala je [www.vanima.hr](http://www.vanima.hr), a adresa [vafi@vanima.hr](mailto:vafi@vanima.hr).

› VAFI - the International Children and Youth Animation Film Festival Varaždin presents films created by children and the youth. The idea to initiate a festival of this kind was a few years in the making and it came about from the desire to promote children's creativity at all levels, to bring together all the little animation artists, their mentors, professionals and animation lovers from Croatia and abroad, and to make Varaždin a place where they will exchange their experiences and initiate new friendships outside their country's borders, a place where kids would be able to enjoy watching films and learn something new while at the same time spending quality time together and connecting for life through shared memories and new friendships.

Varaždin, being one of the most beautiful and most developed cities in Croatia and a children-friendly city, is the ideal host for a festival like this one that wishes to bring together quality, knowledge, professionalism, good fun, entertainment, creation and creativity in perfect harmony. VAFI is divided into three age categories to ensure the fairest distribution of prizes. Each category has its own name - MINI, for kids up to the age of 10, MIDI, for ages 11-14, and MAXI for young people aged 15-18.

The deadline for applications for the 2<sup>nd</sup> VAFI is 15 January 2011. The website of the festival is: [www.vanima.hr](http://www.vanima.hr), and e-mail: [vafi@vanima.hr](mailto:vafi@vanima.hr).

## FILMSKE RADIONICE ZA DJECU I MLADEŽ U KRALJEVICI • VIDEO WORKSHOPS FOR CHILDREN AND THE YOUTH KRALJEVICA

› Hrvatski je filmski savez i ove godine, od 28. srpnja do 6. kolovoza, u Nacionalnom centru tehničke kulture u Kraljevici organizirao i uspješno proveo četiri filmske i videoradionice za djecu i mladež, s ukupno devetnaest polaznika.

Radionice u Kraljevici provode se kao svojevrsna nagrada za pobjednike Revije hrvatskog filmskog i videotvaralaštva djece. Svake se godine na Reviji odabere deset filmova koji su po ocjeni stručnoga žirija te godine najbolji, a njihovi su autori između ostalog nagrađeni i desetodnevnim boravkom u Kraljevici i sudjelovanjem na radionicama igranog, dokumentarnog i

animiranog filma. Ideja je da se istovjetne nagrade osiguraju i za sudionike Filmske revije mladeži.

Uz nagrađene, u radionicama u Kraljevici sudjeluju i drugi učenici osnovnih i srednjih škola, članovi školskih filmskih skupina ili udruge i klubova, koji se prijave za sudjelovanje i sami ga financiraju. Kako su ove radionice zapravo osnovno i srednjoškolski pandan Školi medijske kulture, riječ je o uistinu jedinstvenoj prilici za sve mlađe filmaše.

› The Croatian Film Clubs' Association has this year once again successfully organized four film and video workshops for children and the youth, with a total of nineteen participants, at the National Center for Technical Culture in Kraljevica, between 28<sup>th</sup> July and 6<sup>th</sup> August.

The workshops in Kraljevica are conceived as part of the prize for the winners of the Kids Film Festival in Croatia. Every year, ten of the best films at the festival are selected by the jury and their authors, among other prizes, receive a ten-day stay in Kraljevica and the opportunity to participate at fiction, documentary and animated film workshops. The idea is to also con-

ceive similar awards for the best films at the Youth Film Festival.

Together with the award-winning authors, other students from primary and secondary school, members of school film groups, associations and clubs, who apply for participation and have their own funding, also participate at the workshops in Kraljevica. Since these workshops are in fact the primary and secondary school version of the School of Media Culture, this is truly a unique opportunity for all the young filmmakers.

## MADE IN TAIWAN

› 2006. godine četvorica mlađih momaka, koji se tada još nisu baš posve poznivali, potpuno neočekivano i spontano su odlučili udružiti svoje glazbeno iskustvo (i neiskustvo) i znanja (i neznanja), te pokrenuti vlastiti bend. Počevši s preradama poznatih bendova odlučili su se okušati i u autorskim stvarima. S mnogo truda, zemljance, svađe i prepirke kroz godine stvorili su svoj "malo-drugaciji-od-ostalih" zanimljivi zvuk. Različiti glazbeni ukusи sve četvorice našli su se na nekoj sredini gdje svatko pridonosi svojim "štihom" za sve pomalo. Prošavši kroz tu "pubertetsku" fazu benda, malo ozbiljniji i odlučniji neizvjesno očekuju svaku priliku kako bi ljudima mogli prezentirati plod svojih kapljica znoja. Srednjoškolci (a pogotovo srednjoškolke) te ostali posjetioци Revije i Festivala nesumnjivo će uživati!

› In 2006, four young guys, who at the time did not really know each other, completely unexpectedly and spontaneously decided to put together their music experience and knowledge (or lack thereof) and start their own band. Starting with covers of well known bands they later ventured into making their own material. After a lot of hard work, fun, disagreement and argument, over the years they have created their interesting "slightly-different-from-the-others" sound. Different music tastes of all four members found middle ground where everybody contributes with their own flair. After the initial 'puberty' phase of the band, now slightly older and wiser, they look for any opportunity to present to the public the fruits of their labor. The high school students (especially the female ones) and the rest of the YFF and FRFF visitors will undoubtedly enjoy their show!

## DJ TOM LUKE

› Luka Turkalj, karlovačkoj omladini i ponekom starcu, poznatiji kao DJ Tom Luke rođen je 1987. godine. Glazbenom produkcijom se bavi već gotovo osam godina, a samim DJ-ingom oko dvije godine. Završio je DJ akademiju u Zagrebu, te počeo razne tečajeve i radionice elektronske glazbe. Preferira house (uglavnom vocal, electro i progressive), a do sada je svojim nastupom oduševljavao mnoge klubove i beach barove, dok je trenutno stalni DJ u Buddha Baru. 2010. godine priključuje se atraktivnom programu "GET WET". Publiku Revije i Festivala "zapalio" je već lani, pa na ovogodišnjoj ediciji imaju pravo na repeat!

› Luka Turkalj, to the young people in Karlovac and some older ones, better known as DJ Tom Luke, was born in 1987. He has been involved in music production for eight years, for the last two as a DJ. He has completed the DJ Academy in Zagreb and attended various courses and workshops on electronic music. He prefers house music (mostly vocal, electro and progressive) and clubbers enjoy his sets in many clubs and beach bars. He is currently an in-house DJ at Buddha Bar and in 2010 he joined the hip program "GET WET". Last year the festival audience was on fire with his music, so this year they are entitled to a second helping.

## DEPTH

› "Ja, Matej Mates, ja" odgovorio je voda ovog benda, već spomenuti Matej Mates, kada ga se priupitalo da nabroji članove vlastitog benda. Uglavnom, Depth je perspektivan(?) karlovački bend. U originalnoj postavi se sastojao od pet članova, no dva člana su bila izuzetno odgovorna te im ostatak benda jednostavno nije mogao konkurirati. Voljeli su puding, a ostatak benda nije pa, nakon što su pojeli po kilu svaki, njihovi putevi su se razišli (što je i vidljivo po ovim predivnim trbuščićima na priloženoj slici). Sad su tu tri člana i Ani (misterioz(a)n(a) Ani, čije će se postojanje razjasniti na samom koncertu). Povremeno se nađu na probi, ali prvenstveno isprijaju bakin sok od bazge. Kako isti utječe na njihovu melodioznost, vidjet ćemo u okrilju Starog grada trećeg dana festivala.

› "Me, Matej Mates and me" replied the frontman of this band, the aforementioned Matej Mates when asked to list the members of his band. In any case, Depth is a promising (?) band from Karlovac. In its original line up it consisted of five members but two of them were highly responsible so the rest of the band simply could not compete. They liked pudding while the rest of the band did not, so after they ate ten cups each, they went their separate ways (which is obvious from the tummies in the photo attached). Now there are three members and Ani (the mysterious Ani whose existence will be clarified at the very concert). Occasionally they meet for rehearsal but mostly they spend their time drinking grandma's elder syrup. How this affects their music-making ability we will have a chance to see at the old Dubovac citadel, on the third day of the festival.

## RADIONICE

•  
WORKSHOPS

## MALE RADIONICE ZA BUDUĆE FILMSKE VELIKANE • LITTLE WORKSHOPS FOR FILM GREATS OF THE FUTURE

› Nastavljajući tradiciju započetu pri prvom karlovačkom izdanju Revije kada je na oduševljenje svih sudionika organizirana radio-nica filmova u jednom kadru, i ovogodišnje izdanje Revije i Festivala srednjoškolcima pruža zanimljive edukativne sadržaje. Tako će se održati čak tri radionice, svaka na svoj način srodnna filmskoj umjetnosti.

**K kao karikatura**

› Oni više skloni animaciji, kao načinu filmskog izražavanja u svakom slučaju pronaći će se u ovoj radionici pod vodstvom prvog karlovačkog diplomiranog animatora i cijenjenog karikaturista Nevena Mihajlovića Cetinjanina koji je svojom oštrom olovkom narisao brojne likove što iz prijateljskog, što iz političkog ali i općenito filmskog okruženja. Nabolje karikature nastale u okviru radionice bit će objavljene na stranicama biltena "Dnevnik u boci".

**365 - film za deset lipa**

› Iza intrigantnog naziva ove radionice krije se mlađi redatelj Matija Radeljak i njegov cjelovečernji film "Život+Režije". Kako bi prikupio sredstva za gore navedeno ostvarenje (riječ o nezavisnoj produkciji), Matija i njegov tim diljem Hrvatske rade projekt 365, odnosno 365 kratkih filmova, različitih žanrova, svaki po cijeni od 10 lipa. Jedan od tih filmova bit će napravljen u Karlovcu na ovogodišnjoj Reviji i Festivalu.

**Radionica filmske maske i šminke**

› Budućim redateljima i graničnim filmova radio-nica ovog tipa će sasvim sigurno biti od koristi. Kako najlakše dočarati krv, suze, najočnjiju masnicu ili možda postarat ghumce za dvadeset godina? Odgovor na to pitanje mlađim filmašima pokušat će dati iskusna šminkerica i visavička Zdenka Mihelj.

› In line with the tradition initiated at the first Karlovac edition of the festival, during which a one take film workshop was organized to the delight of all the participants, this year's edition of the YFF and FRFF provides the high school kids with opportunities for interesting educational experiences. As many as three workshops will be held, each in its own way related to film art.

**C for Caricature**

› Those more inclined towards animation as a means of expression will definitely find what they are looking for in this workshop coached by Karlovac's first academy-trained animation artist and renowned caricaturist, Neven Mihajlović Cetinjanin, who uses his sharp pencil to draw numerous characters both from personal and public milieu and the film circles. The best caricatures created at this workshop will be published on the pages of the news bulletin "Bottle Daily".

**365 - film for ten lipa**

› The intriguing title of this workshop reveals young filmmaker Matija Radeljak and his feature film "Life+Overheads". In order to gather funds for his film (an independent production), Matija and his team are doing the project 365 throughout Croatia, that is, making 365 short films, of different genres, each costing 10 lipa. One of these films will be made at this year's festival in Karlovac.

**Film mask and make-up workshop**

› For the future directors of fiction films a workshop of this kind will definitely come in handy. How to simulate blood, tears, a common bruise or perhaps make an actor look twenty years older in the easiest way? Zdenka Mihelj, an expert make-up artist will try to answer these questions for the young filmmakers.
